UNILATERAL UNDERTAKING GIVEN BY DEED
BY
THE LONDON LEGACY DEVELOPMENT CORPORATION
in its capacity as Local Planning Authority

pursuant to section 201 of the Localism Act 2011 and all other powers enabling

relating to amendments to the Legacy Communities Scheme, Queen Elizabeth Olympic Park in connection with non-material amendment application reference 20/00197/NMA for increase in floorspace in Planning Delivery Zone 4 and Planning Delivery Zone 5

To be read alongside the unilateral undertaking given by London Legacy Development Corporation (as owner) pursuant to section 106 of the Town & Country Planning Act 1990 relating to the same development and entered into on the date hereof

THIS UNILATERAL UNDERTAKING is given on 11 MAY 2021

BY the LONDON LEGACY DEVELOPMENT CORPORATION ("LLDC") of Level 10, 1 Stratford Place, Montfichet Road, London E20 1EJ ("the LPA")

IN FAVOUR OF the Owner(s) of the Developer's Land in PDZ 4 and PDZ 5 from time to time.

RECITALS

Background

- (A) Pursuant to the London Legacy Development Corporation (Planning Functions) Order 2012, LLDC is the LPA for the area within which the Revised Site (including PDZ 4 and PDZ 5) is located for the purposes of Part 3 of the 1990 Act. It exercises this power in place of the Host Boroughs.
- (B) LLDC's Board has delegated the exercise of LLDC's planning functions to PPDT. Although it acts independently, PPDT remains part of the same legal entity as LLDC.
- (C) At the time this Deed is entered into, it is expected that LLDC will be a time limited organisation and its planning powers will eventually revert to the Host Boroughs or transfer to another successor organisation(s).

LLDC (acting as landowner)

- (D) LLDC is a Mayoral Development Corporation ("MDC") established under the Localism Act 2011 and the London Legacy Development Corporation (Establishment) Order 2012 for an area which straddles the boundaries of the four Host Boroughs.
- (E) An MDC's statutory purpose is to secure the regeneration of its area. In support of this statutory purpose, LLDC is the owner of land transferred to it under various statutory transfer schemes and can exercise a range of powers over that land, including management, development and disposal to third parties. This land includes the Developer's Land in PDZ 4 and PDZ 5, the details of which are set out in Schedule 1 to this Deed.

Legacy Communities Scheme

- (F) The Olympic Park Legacy Company (the predecessor owner of the Developer's Land in PDZ 4 and PDZ 5) submitted a planning application to the Olympic Delivery Authority (the then local planning authority) on 30 September 2011 for the residential-led legacy redevelopment of the Original Site.
- (G) On 28 September 2012 the Olympic Delivery Authority, LLDC (as landowner) and Transport for London entered into the Original Agreement and the Original Permission for such residential-led legacy redevelopment of the Original Site was granted.
- (H) Under the terms of the Enforcement Protocol, in the event the Original Agreement is to be varied, PPDT and LLDC (as landowner) will agree the extent of the variations to the Original Agreement albeit that a formal deed of variation cannot be entered into. The

Enforcement Protocol also sets out how the terms of the Reciprocal Undertaking and this Deed will be managed while LLDC is both landowner and local planning authority.

The Applications

- (I) Since the grant of the Original Permission a number of permissions have been granted pursuant to section 73 of the 1990 Act, the net effect of which is the slotting out of PDZ 1 and PDZ 2 from the Original Site. The most recent of these permissions was the Third S73 Permission which was granted on 25 July 2019 and is the permission pursuant to which the Development is being carried out.
- (J) LLDC (as landowner) has submitted the Non Material Amendment Application to the LPA for determination. The Non Material Amendment Application seeks to increase the amount of residential floorspace permitted to be constructed in PDZ4 and PDZ5 by an additional 38,923 square metres (circa 344 dwellings).
- (K) In its role as LPA, LLDC considers it expedient in the interests of the proper planning of its area and for the benefit of the public at large and having regard to all other material considerations that provision should be made for regulating the Revised Development in the manner set out in the Draft Deed of Variation.
- (L) In its role as LPA, LLDC is satisfied that the planning obligations contained in the Draft Deed meet the three tests set out in Regulation 122 (2) (a) — (c) of the Community Infrastructure Levy Regulations 2010 (as amended).
- (M) LLDC recognises that as a matter of law, as both landowner and local planning authority LLDC it is unable to secure the obligations set out in the Draft Deed of Variation by way of a bilateral agreement concluded with itself.
- (N) To overcome this obstacle, LLDC (as landowner) has entered into the Reciprocal Undertaking binding itself and its interests in the Developer's Land in PDZ 4 and PDZ 5 with the terms and obligations set out in the Original Agreement as though the Original Agreement had been formally varied by the Draft Deed of Variation and with the intention of binding its interests in the Developer's Land in PDZ 4 and PDZ 5.
- (O) In return for the promises given in the Reciprocal Undertaking, the LPA unilaterally undertakes herein to observe the terms and perform the LPA's obligations as set out in the Original Agreement as though it had been amended by the Draft Deed of Variation attached hereto at Annex 1. If LLDC's planning powers pass to a successor organisation, it is intended that this Deed will be transferred to that successor under a statutory or mayoral scheme of transfer.
- (P) LLDC also recognises that while it is both Owner and LPA, it cannot enforce the obligations secured by this Deed against itself. If a breach of the terms of this Deed occurs while LLDC is both landowner and LPA, LLDC and PPDT will seek to resolve that breach in accordance with the terms of the Enforcement Protocol.
- (Q) Notwithstanding that no third party with an interest in the Developer's Land in PDZ 4 and PDZ 5 is party to the Reciprocal Undertaking, Clause 7 of the Deed of Variation purports to vary site-wide obligations. With the particular intention of not prejudicing current Owners of land within the Developer's Land in PDZ 4 and PDZ 5, the LPA's covenants given herein to enforce only the terms of the Original Agreement as though amended by

the Draft Deed of Variation (see Clause 3.1 of this Deed) are expressly given for the benefit of any Owner of the Developer's Land in PDZ 4 and PDZ 5.

- (R) If, while LLDC remains the local planning authority for the Developer's Land in PDZ 4 and PDZ 5, a third party acquires an interest in the Developer's Land in PDZ 4 and PDZ 5, the LPA intends that this Deed will be enforceable by such third party against it under the Contracts (Rights of Third Parties) Act 1999.
- (S) This Deed is to be read alongside the Reciprocal Undertaking.

THIS AGREEMENT is made on

BETWEEN:

- (1) [LONDON LEGACY DEVELOPMENT CORPORATION LIMITED of Level 10, 1 Stratford Place, Montfichet Road, London E20 1EJ] OR [LOCAL PLANNING AUTHORITY]¹ (the "LPA"); and
- (2) [xxx]² (the "Owner");

RECITAL

Parties

- (A) The London Legacy Development Corporation ("**LLDC**") is the local planning authority for the area within which the Revised Site (including PDZ 4 and PDZ 5) is located for the purposes of Part 3 of the 1990 Act and is the local planning authority by whom the obligations contained in the Original Agreement are enforceable. Where in this Deed the LLDC is referred to in its capacity as the local planning authority, the LLDC is termed the "**LPA**".
- (B) The LLDC is also the freehold owner of the Developer's Land in PDZ 4 and PDZ 5. Where in this Deed the LLDC is referred to in its capacity as freehold owner it is termed the "**LLDC Landowner**".
- (C) The Owner is the ([freehold/leasehold] owner of [******] details of which are set out in and shown on the plan appended at Schedule 1 to this Deed).

Background

- (D) The Olympic Park Legacy Company ("**OPLC**") submitted the Original Planning Application to the Olympic Delivery Authority (as local planning authority) on 30 September 2011 for the legacy redevelopment of the Queen Elizabeth Olympic Park (defined in the Original Agreement as the "**Development**").
- (E) On 1 April 2012, the Secretary of State for Communities and Local Government created the LLDC pursuant to the London Legacy Development Corporation (Establishment) Order 2012 as the successor organisation to the OPLC. LLDC took on responsibility for promoting the application submitted by the OPLC for the Development.
- (F) On 26 June 2012 the Olympic Delivery Authority (as local planning authority) resolved to grant the outline planning permission pursuant to the Original Planning Application for the Development subject to the completion of an agreement pursuant to section 106 of the 1990 Act.
- (G) On 28 September 2012 the Olympic Delivery Authority ("**ODA**"), LLDC (as developer) and Transport for London ("**TfL**") entered into the Original Agreement and planning permission was granted ("the Original Planning Permission").
- (H) On 1 October 2012 the ODA's planning functions and powers were transferred to LLDC and LLDC became the local planning authority for the area within which the Revised Site (including PDZ 4 and PDZ 5) is located for the purposes of Part 3 of the 1990 Act. The effect was that the LPA and the Developer (as defined in the

¹ Insert details of successor LPA in the event the transfer of LLDC PPDT's planning powers to another entity triggers the entering into of this deed.

² Insert details of LLDC's successor in title or person deriving title under LLDC as appropriate

Original Agreement) became the same legal entity. Because LLDC could not contract with itself, LLDC could not vary the Original Agreement if changes were required to be made to it while LLDC was both landowner and local planning authority.

- (I) The Original Agreement is drafted so that it attaches not only to development carried out under the Original Planning Permission, but also to development carried out pursuant to any variations to the Original Planning Permission, or planning permission for any development on the Developer's Land which is related to or carried out in substitution for development authorised under the Original Planning Permission.
- (J) Since the grant of the Original Planning Permission a number of permissions have been granted pursuant to section 73 of the 1990 Act, the net effect of which is the slotting out of PDZ 1 and PDZ 2. [The most recent of these permissions was the Third S73 Permission which was granted on 25 July 2019 and is the permission pursuant to which the Development is being carried out].

Non Material Amendment Approval

- (K) On [****] 2021 the LPA issued the Non Material Amendment Approval. The effect of the Non Material Amendment Approval is to increase the amount of residential floorspace permitted to be constructed in PDZ4 and PDZ5 by an additional 38,923 square metres (circa 344 dwellings). A draft Deed of Variation was agreed to make changes to the affordable housing requirements within the Original Agreement insofar as they relate to PDZ4 and PDZ5. As a consequence of these changes the LPA has agreed to discharge the October 2019 Undertaking on the basis that the additional affordable housing in PDZ5 secured in that undertaking is included within the affordable housing secured by the draft Deed of Variation. As part of the draft Deed of Variation it was also agreed to amend the obligations regarding delivery of healthcare facilities.

The Unilateral Undertakings

- (L) At the time it was agreed to vary the affordable housing requirements in respect of PDZ4 and PDZ5, LLDC was both the LPA and owner of the Developer's Land in PDZ 4 and PDZ 5. As explained above for this reason LLDC could not complete this Deed.
- (M) To ensure that the provisions set out in Clause 7 of this Deed would nonetheless be legally binding, the LLDC Landowner gave a unilateral undertaking to the LPA on [] 2021 to observe and perform the terms of the Original Agreement in relation to the Developer's Land in PDZ 4 and PDZ 5 as though it had been varied by this Deed ("UU1"). UU1 was given under section 106 of the 1990 Act and is binding on both the LLDC Landowner's interests in the Developer's Land in PDZ 4 and PDZ 5 and on the interests in that land of any successors in title.
- (N) In return for UU1, the LPA gave a reciprocal undertaking under section 201 of the 1990 Act on [] 2021 in which (conditional on the performance of the Original Agreement as deemed to be varied by this Deed) it was bound to only enforce the Original Agreement as though it had been effectively varied by this Deed ("UU2"). UU2 was given for the benefit of any owner of the Developer's Land in PDZ 4 and PDZ 5 from time to time.
- (O) If LLDC's planning function is transferred to a successor organisation, it is expected that UU2 will be transferred to and binding on the successor local planning authority under a formal scheme of transfer.

- (P) UU1 and UU2 by themselves do not vary the Original Agreement. Instead, they are binding promises on the part of the owners of the Developer's Land in PDZ 4 and PDZ 5 and on the part of the local planning authority to treat the Original Agreement as though it had been varied in accordance with the terms of this Deed.

Deed of Variation

- (Q) This Deed is drafted as a simple deed of variation to the Original Agreement to be made under section 106A of the 1990 Act. The variations are effected by Clause 7 of this Deed.
- (R) This Deed is not itself made under section 106. The reason for this is to simplify the process of any future variations to the Original Agreement. Should these become necessary, the intention is that they will be effected by varying just the Original Agreement (as already amended) and UU1 and UU2 without also having to vary this Deed.
- (S) Notwithstanding the fact that this Deed is not itself made under section 106 of the 1990 Act, once completed the variations this Deed makes to the Original Agreement will be enforceable against the parties to this Deed and their successors in title because of the binding nature of the Original Agreement described in Recital M above and because of the effect of UU1 described below.

Role of this Deed

- (T) UU1 requires at Clause 3.3 certain persons acquiring title to all or any part of the Developer's Land in PDZ 4 and PDZ 5 to enter into this Deed or (if a Deed of Variation has already been completed) a Confirmatory Deed. The purpose of this Deed and Confirmatory Deed (once completed) is to create certainty particularly as to how the local planning authority will manage the amended development. UU1 also requires the Developer at Clause 3.5 to procure that the owners of certain leasehold interests granted prior to the date of UU1 enter into this Deed or (if a Deed of Variation has already been completed) a Confirmatory Deed.
- (U) Because this Deed seeks to vary obligations in respect of PDZ4 and PDZ5, section 106A of the 1990 Act requires any party against whom such obligations are enforceable be a party to this Deed.
- (V) For the avoidance of doubt, the LPA acknowledges that when completed, this Deed may include such further amendments to the Original Agreement (including amendments to these recitals and any of the terms of Clause 7 of this Deed) and such other terms as are appropriate and/or necessary to accommodate any further changes to the Original Planning Permission which the LPA (from time to time) approves.

SCHEDULE 2

TRANSPORT

RECITALS

- (A) The transport assessment submitted in support of the Original Planning Application dated September 2011 (and the transport addendum submitted in February 2012) recognises the need to mitigate the transport impacts of the Development by improving connectivity with adjacent areas by walk, cycle and public transport, providing adequate public transport and facilities and undertaking off-site mitigation measures. This need for mitigation is recognised by LLDC and funding has accordingly been committed to secure these measures. The need will increase as more of the Development is occupied from Commencement through to Completion and funding is matched to these increased requirements.
- (B) Along with LLDC, the LPA, TfL and the local highway authorities will be important contributors to the development and delivery of the measures.
- (C) The necessary improvements to Bus Infrastructure and bus services have been identified in outline and a procedure for bringing forward detailed measures is set out in this Schedule.
- (D) A framework, the Legacy Transport Group (LTG), for monitoring the effects of the Development, identifying, developing and bringing forward Off Site measures to mitigate the impacts of the Development by improving connectivity has been agreed. The objective and processes of the LTG and the procedures for developing schemes are described in this Schedule and Appendix 10. The LTG's initial priorities include helping secure improved access to Hackney Wick Station and to Stratford Regional Station from the south-west. The LTG will, as appropriate, establish sub-groups to assist in developing such measures and mitigation.
- (E) The LTG will also be responsible for oversight of the Construction Transport Management Group, which will act as a sub-group of the LTG.
- (F) The LTG will take over the responsibilities of the OPTEMS Group that oversees the section 106 transport contributions, the identification of and implementation of measures to mitigate the transportation effects of the Olympic Development.

2.1.2 to effectively manage and support Members of the LTG in bringing forward transport mitigation schemes which would assist in:

- (a) as a primary objective of the LTG, mitigating the transport impacts of the Development through improving and promoting connectivity between the Site and the adjacent communities by improved pedestrian and cyclist facilities and accessibility to local public transport interchanges;
- (b) reducing private vehicle trips to and from the Development;
- (c) promoting sustainable transport modes; and

- 2.1.8 to work closely with STIG, or its replacement. If a mitigation or connectivity scheme is proposed at locations affected by both the Stratford City Development and the Development, the LTG will review how any composite scheme may be capable of being developed for implementation such as to enable the Development to proceed and the Stratford City Development to proceed and the appropriate level of funding from the LTG Funds would reflect any additional requirements which would not have arisen but for the Development.
- 2.2 A transport mitigation scheme proposed by a Member of the LTG shall not be considered to fall within the aims and objectives of the LTG if it can be reasonably demonstrated that such scheme falls within one of the following categories:
 - 2.2.1 the measures directly required to accommodate the operational requirements of construction as defined through the CTMG, the developing CTMP and the ZCTMPs (as required by Conditions LCS0.58 and LCS0.59), provided always that, where indirect effects are identified during construction as a result of reassignment of flows due to these construction requirements any additional or enhanced works will be allocated to the scope of the LTG; and/or
 - 2.2.2 the direct operational requirements of the Olympic Park which are required for the Post-Games Transformation Phase save in respect of an Unspent OPTEMS Contribution; and/or
 - 2.2.3 the measures that do not mitigate the transport impacts of the Development.
- 2.3 The LTG is not to approve funding to any transport mitigation scheme within the Site unless otherwise agreed by the LPA and LLDC at the LTG meeting where the transport mitigation scheme is being considered.

6. TRANSPORT MITIGATION TOPICS

6.1 With reference to Schedule 2 to this Agreement and the Planning Permission, the following transport mitigation schemes are schemes that will be managed through, and funding approved for by, the LTG. Each transport mitigation scheme will be allocated funds as defined in Schedule 2 to this Agreement.

6.2 Area Wide Connectivity and Junction Improvements

6.2.1 Through the Transport Assessment, a number of junction effects have been identified that reach the defined capacity conditions. The locations of these effects are distributed within the Host Boroughs and at various distances from the Site.

6.2.2 Stakeholder discussions have indicated that mitigation of sites located closer to the Site are of higher priority and that the LTG Funds should be prioritised to address mitigation for these locations. These locations are defined in Schedule 2 to this Agreement as the "Offsite Junctions" and "Pedestrian and Cycle Connections."

6.2.3 A number of connectivity schemes have been identified which improve walking and cycling links between adjacent communities and the Site, and access to public transport.

6.2.4 It is also recognised that the Host Boroughs' planning policies do not promote highway capacity increases and favour connectivity that promotes sustainable transport. Therefore, it is an aim and objective of the LTG to prioritise the development and promotion of transport mitigation schemes that improve and mitigate the Development's effects through enhancements at junctions and links with the Site for walking and cycling.

6.2.5 The initial allocation for connectivity and junction improvements totals £3,533,000 (three million five hundred and thirty three thousand pounds) (Indexed) (termed the "Offsite Junctions and Connections Contribution" in Schedule 2 to this Agreement) and is to be paid into the LTG Account and schemes approved by the LTG in accordance with paragraph 7.5 of Schedule 2 to this Agreement.

6.2.6 LTG may also consider additional bus infrastructure mitigation (other than that provided for by paragraphs 1 and 2 of Schedule 2 to this Agreement) to improve connectivity to the Site. These schemes may be linked to junction and connectivity improvements.

6.3 Hackney Wick Station Improvements and Connectivity

6.3.1 The Transport Assessment identifies a significant increase in passenger movement at Hackney Wick Station due to the Development. Whilst Hackney Wick Station in capacity terms could accommodate this increase, the promotion of sustainable modes and also the refocus of Hackney Wick Station connectivity towards the Site would benefit from modification of facilities at Hackney Wick Station.

6.3.2 Studies undertaken by Network Rail and LTGDC have identified works involving removal of existing ramps, introduction of lifts, modified ticket hall, and a new underpass. These works include compliance with the Disability Discrimination Act 1995 and the Disability and Equality Act 2010. Such improvements to Hackney Wick Station's operations and efficiency will promote sustainable modes not just for the Development but for other nearby developments currently being planned.

6.3.3 With respect to the Hackney Wick Station Contribution (a sum of £4,000,000 (four million pounds) (Indexed) as defined in Schedule 2 to this Agreement and to be paid into the LTG Account in accordance with paragraph 7.4 of Schedule 2 to this Agreement), the LTG may approve schemes (termed as "Hackney Wick Station Works" in Schedule 2 to this Agreement) to be funded from the Hackney Wick Station Contribution as follows:

- (a) improvements to focus on improved access, connectivity and pedestrian connections with the Site;
- (b) the provision of facilities compliant with the Disability Discrimination Act 1995 and the Disability and Equality Act 2010;
- (c) improvements to connectivity to/from the Site via Wallis Road and H10; and
- (d) improvements to connectivity to/from the Site via White Post Lane.

6.3.4 The LTG is to work with stakeholders to develop a scheme for the Hackney Wick Station Works for implementation by 2025 in order to mitigate effects of the Development by improving connectivity from the Site to Hackney Wick Station. If by that date or before (if the Developer, TfL and the LPA agree that the Hackney Wick Station Works do not have a realistic prospect of being progressed) all or part of the Hackney Wick Station Contribution remains uncommitted, such amount that remains uncommitted is to be added to the Offsite Junctions and Connections Contribution in accordance with paragraph 7.6.10 of Schedule 2 to this Agreement for the LTG to approve funding in accordance with its aims and objectives and, in particular, could include schemes that provide public transport mitigation or promote connectivity to the Development in the Hackney Wick area.

6.3.5 The Hackney Wick Station Contribution can be used for design works in respect of the Hackney Wick Station Works as well as the implementation of the Hackney Wick Station Works. The LTG will continue to administer the Unspent OPTEMS Contribution approved in principle for Hackney Wick Station, and the LTG can consider providing further sums from the Unspent OPTEMS Contribution if in accordance with the latest OPTEMS Strategy and/or the terms of reference of the former OPTEMS Group.

6.4 **Stratford Station Western Access**

6.4.1 The introduction of a new western access to Stratford Regional Station has been identified through the Stratford Metropolitan Study. This scheme proposes a new public access to the west of Stratford Regional Station.

6.4.2 The Development is to contribute to this scheme to the total of £200,000 (Indexed) (defined as the "Stratford Regional Station Contribution" in Schedule 2 to this Agreement). The Stratford Regional Station Contribution includes assisting in the introduction of a new public station access and/or improvements to its connection with Gibbins Road (termed the "Stratford Regional Station Works" in Schedule 2 to this Agreement).

6.4.3 The Stratford Regional Station Works will improve the connectivity of the Development to the west of the Stratford Regional Station at PDZs 2, 8 and 12.

6.4.4 If by 2025 or before (if the Developer, TfL and the LPA agree that the Stratford Regional Station Works are not likely to proceed) all or part of the Stratford Regional Station Contribution remains uncommitted, such amount that remains uncommitted is to be added to the Offsite Junctions and Connections

Contribution in accordance with paragraph 7.6.11 of Schedule 2 to this Agreement for the LTG to approve funding in accordance with its aims and objectives.

7. **ADDITIONAL CONTRIBUTIONS**

In the event that additional monies are deposited into the LTG Account pursuant to the terms of this Agreement (for example the difference between the gross cost of the Bus Service Enhancements to be provided pursuant to the relevant Sponsored Route Agreement and the Net SRA Amount (pursuant to paragraph 1.13 of Schedule 2 to this Agreement) and the Remaining Funds (pursuant to paragraph 3.3 of Schedule 2 to this Agreement), approvals on the allocation of this additional funding will be made by the LTG in accordance with the aims and objectives of the LTG.

8. **GUIDANCE**

The LTG may produce its own guidance (adopted through a vote of the LTG), for example on the sorts of schemes that are likely to be approved by the LTG for funding from the LTG Funds and how such schemes may be prioritised with regard to the phased payments of the LTG Funds. The LTG may produce its own administrative tools such as a pro-forma to standardise the approval request process as set out in paragraphs 7.6.3 to 7.6.11 (inclusive) of this Appendix.

9. **ASSOCIATED WORKING GROUPS**

- 9.1 The LTG is to operate as the lead transport group for the administration, prioritisation and approval of funding for appropriate transport schemes identified to mitigate the defined effects or those necessary to deliver the Development throughout its development phases.
- 9.2 To assist the LTG in its aims and objectives, the LTG is to establish a CTMG and may establish other sub-working groups. Such other sub-working groups in addition to the CTMG may include (but not limited to) the HWSWG and the SRSWG. The LTG may also choose to form other smaller sub-working groups as a review panel to consider the funding submissions and make recommendations to the wider LTG.
- 9.3 The LTG shall establish the CTMG by no later than Commencement of the Development and if other sub-working groups are to be established, the LTG shall establish such sub-working groups in good time for when the Developer is obliged to deposit the contribution applicable to the remit of each sub-working group.
- 9.4 The LTG shall agree the membership and remit of each sub-working group, and the Chair of the LTG shall invite the agreed organisations to become members of each sub-working group. Membership of each sub-working group is expected to have a number of common representatives in addition to topic specialists.
- 9.5 The LTG can also agree to disband any sub-working group at an appropriate time, for example at the completion of the Hackney Wick Station Works or if it is agreed that the Hackney Wick Station Works do not have a realistic prospect of being progressed.
- 9.6 The CTMG shall produce a project report to the LTG updating the LTG on the transport planning issues and traffic management issues relevant to the Development during the Development's construction phase.
- 9.7 Each sub-working group established by the LTG, save for the CTMG, will provide project reports to the LTG recommending whether transport mitigation schemes should be approved for LTG Funding.

10. APPROVAL OF FUNDS BY THE LTG

10.1 Each Member of the LTG has the right to propose to the LTG a transport mitigation scheme to receive funding from the LTG Funds. The approval process is set out in paragraphs 7.6.3 to 7.6.11 (inclusive) of Schedule 2 to this Agreement.

10.2 The LTG shall favour using the LTG Funds to fund the implementation of schemes, rather than the funding of feasibility and design work as far as possible, recognising that most schemes will include an element of design work. However, such design/feasibility costs shall be kept to a minimum. The LTG shall seek to prevent abortive feasibility and design work by favouring appropriate schemes that are likely to be practicable and implemented.

11. REVIEW OF THE LTG AND FINANCIAL REPORTING

11.1 The operation and membership of the LTG will be reviewed every two years by LLDC and the LPA until the LTG ceases to exist and any changes agreed by them will be implemented as soon as reasonably practicable by the Chair of the LTG.

11.2 A financial report of the expenditure from, the remaining balance and any outstanding commitments of the LTG Account is to be produced by the LPA in advance of each LTG meeting and circulated by the Chair to the Members of the LTG as one of the meeting papers.

11.3 Until such a time as the Unspent OPTEMS Contribution is all spent, a financial report of expenditure and any outstanding commitments from the Unspent OPTEMS Contribution shall also be produced by the LPA in advance of each LTG meeting and circulated by the Chair to the Members of the LTG as one of the meeting papers.

BETWEEN:

- (1) [LONDON LEGACY DEVELOPMENT CORPORATION LIMITED of Level 10, 1 Stratford Place, Montfichet Road, London E20 1EJ] OR [LOCAL PLANNING AUTHORITY]¹ (the "LPA");
- (2) [**] of [**] (the "Owner"); and

RECITALS

Parties

- (A) The London Legacy Development Corporation ("**LLDC**") is the local planning authority for the area within which the Revised Site (including PDZ 4 and PDZ 5) is located for the purposes of Part 3 of the 1990 Act and is the local planning authority by whom the obligations contained in the Original Agreement are enforceable. Where in this Deed the LLDC is referred to in its capacity as the local planning authority, the LLDC is termed the "**LPA**".
- (B) The LLDC is also the freehold owner of the Developer's Land in PDZ 4 and PDZ 5. Where in this Deed the LLDC is referred to in its capacity as freehold owner it is termed the "**LLDC Landowner**".
- (C) The Owner is the [freehold/leasehold] owner of land registered under title number [**] details of which are set out in and shown on the plans appended at the Schedule to this Deed.

Background

- (D) The Olympic Park Legacy Company ("**OPLC**") submitted the Original Planning Application to the Olympic Delivery Authority (as local planning authority) on 30 September 2011 for the legacy redevelopment of the Queen Elizabeth Olympic Park (defined in the Original Agreement as the "**Development**").
- (E) On 1 April 2012, the Secretary of State for Communities and Local Government created the LLDC pursuant to the London Legacy Development Corporation (Establishment) Order 2012 as the successor organisation to the OPLC. LLDC took on responsibility for promoting the application submitted by the OPLC for the Development.
- (F) On 26 June 2012 the Olympic Delivery Authority (as local planning authority) resolved to grant the outline planning permission pursuant to the Original Planning Application for the Development subject to the completion of an agreement pursuant to section 106 of the 1990 Act.
- (G) On 28 September 2012 the Olympic Delivery Authority ("**ODA**"), LLDC (as developer) and Transport for London entered into the Original Agreement and planning permission was granted ("**the Original Planning Permission**").
- (H) On 1 October 2012 the ODA's planning functions and powers were transferred to LLDC and LLDC became the local planning authority for the area within which the Revised Site (including PDZ 4 and PDZ 5) is located for the purposes of Part 3 of

¹ Insert details of successor LPA in the event the transfer of LLDC PPDT's planning powers to another entity triggers the entering into of this deed.

the 1990 Act. The effect was that the LPA and the Developer became the same legal entity. Because LLDC could not contract with itself, LLDC could not vary the Original Agreement if changes were required to be made to it while LLDC was both landowner and local planning authority.

- (I) The Original Agreement is drafted so that it attaches not only to development carried out under the Original Planning Permission, but also to development carried out pursuant to any variations to the Original Planning Permission, or planning permission for any development on the Developer's Land which is related to or carried out in substitution for development authorised under the Original Planning Permission.
- (I) Since the grant of the Original Planning Permission a number of permissions have been granted pursuant to section 73 of the 1990 Act, the net effect of which is the slotting out of PDZ 1 and PDZ 2. [The most recent of these permissions was the Third S73 Permission which was granted on 25 July 2019 and is the permission pursuant to which the Development is being carried out].

Non Material Amendment Approval

- (J) On [****] 2021 the LPA issued the Non Material Amendment Approval. The effect of the Non Material Amendment Approval is to increase the amount of residential floorspace permitted to be constructed in PDZ4 and PDZ5 by an additional 38,923 square metres (circa 344 dwellings). A draft Deed of Variation was agreed to make changes to the affordable housing requirements within the Original Agreement insofar as they relate to PDZ4 and PDZ5. As a consequence of these changes the LPA has agreed to discharge the October 2019 Undertaking on the basis that the additional affordable housing in PDZ5 secured in that undertaking is included within the affordable housing secured by the draft Deed of Variation. . As part of the draft Deed of Variation it was also agreed to amend the obligations regarding delivery of healthcare facilities.

The Unilateral Undertakings

- (K) At the time that it was agreed to vary the affordable housing requirements in respect of PDZ4 and PDZ5, LLDC was both the LPA and owner of the Developer's Land in PDZ 4 and PDZ 5. As explained above for this reason LLDC could not complete the Deed of Variation.
- (L) To ensure that the provisions set out in Clause 7 of the Deed of Variation would nonetheless be legally binding, the LLDC Landowner gave a unilateral undertaking to the LPA on [**] 2021 to observe and perform the terms of the Original Agreement in relation to the Developer's Land in PDZ 4 and PDZ 5 as though it had been varied by the Deed of Variation ("UU1"). UU1 was given under section 106 of the 1990 Act and is binding on both the LLDC Landowner's interests in the Developer's Land in PDZ 4 and PDZ 5 and on the interests in that land of any successors in title.
- (M) In return for UU1, the LPA gave a reciprocal undertaking under section 201 of the 1990 Act on [**] 2021 in which (conditional on the performance of the Original Agreement as deemed to be varied by the Deed of Variation) it was bound to only enforce the Original Agreement as though it had been effectively varied by the Deed of Variation ("UU2"). UU2 was given for the benefit of any owner of the Developer's Land in PDZ 4 and PDZ 5 from time to time.
- (N) If LLDC's planning function is transferred to a successor organisation, it is expected that UU2 will be transferred to and binding on the successor local planning authority under a formal scheme of transfer.

- (O) UU1 and UU2 by themselves do not vary the Original Agreement. Instead, they are binding promises on the part of the owners of the Developer's Land in PDZ 4 and PDZ 5 and on the part of the local planning authority to treat the Original Agreement as though it had been varied in accordance with the terms of the Deed of Variation.
- (P) UU1 requires at Clause 3.3 certain persons acquiring title to all or any part of the Developer's Land in PDZ 4 and PDZ 5 to enter into a Deed of Variation or (if a Deed of Variation has already been completed) a Confirmatory Deed. The purpose of the Deed of Variation and Confirmatory Deeds (once completed) is to create certainty particularly as to how the LPA will manage the amended development. UU1 also requires LLDC Landowner at Clause 3.5 to procure that the owners of certain leasehold interests granted prior to the date of UU1 enter into a Deed of Variation or (if a Deed of Variation has already been completed) a Confirmatory Deed.

Deed of Variation and this Confirmatory Deed

- (Q) A Deed of Variation was completed on [**] and accordingly the Owner is entering into this Confirmatory Deed. Both the Deed of Variation and this Confirmatory Deed are drafted as a simple deed of variation to the Original Agreement to be made under section 106A of the 1990 Act. The variations are effected by Clause 7 of the Deed of Variation.
- (R) Neither the Deed of Variation nor this Confirmatory Deed is itself made under section 106 of the 1990 Act. The reason for this is to simplify the process of any future variations to the Original Agreement. Should these become necessary, the intention is that they will be effected by varying just the Original Agreement (as already amended) and UU1 and UU2 without also having to vary the Deed of Variation, this Confirmatory Deed and any other Confirmatory Deeds.
- (S) Notwithstanding the fact that this Confirmatory Deed is not itself made under section 106 of the 1990 Act, once completed the Original Agreement as varied by the Deed of Variation will be enforceable against the parties to this Confirmatory Deed and their successors in title because of the binding nature of the Original Agreement described in Recital L above and because of the effect of UU1 described below.
- (T) Because this Deed seeks to vary site-wide obligations, section 106A of the 1990 Act requires any party against whom such obligations are enforceable be a party to this Deed.
- (U) The LPA recognises that some interests affected by the amendments secured by the Deed of Variation may not be willing or able to be a party to a Confirmatory Deed. In these circumstances, the LPA considers that a Confirmatory Deed (incorporating appropriate amendments) need only be completed by the LPA (from time to time) and the third party required to enter into this Deed by Clauses 3.3 and 3.5 of UU1. As regards the amended site-wide obligations secured under UU1, other parties can rely on and enforce the LPA's promises given for their benefit in UU2.

Annex 3 – Enforcement Protocol

LONDON LEGACY DEVELOPMENT CORPORATION

s106 ENFORCEMENT PROTOCOL

1. INTRODUCTION

- In March 2012 the London Legacy Development Corporation (LLDC) was established as a Mayoral Development Corporation with responsibility for regenerating an area of east London focused on the Queen Elizabeth Olympic Park. Subsequently, various transfer schemes transferred land including the Olympic Park to LLDC.
- On 1 October 2012, LLDC also became the local planning authority for the land within its area. LLDC's planning powers were delegated by a resolution of LLDC's board to the Planning Policies and Decisions Team (PPDT)¹, a directorate within LLDC which reports to LLDC's Board.
- From a planning perspective, LLDC combines in a single legal entity two distinct roles; firstly as landowner/developer whose land is already bound by several agreements made under S106 of the Town and Country Planning Act 1990 (a S106 Agreement), secondly as the planning authority responsible for enforcing compliance with those agreements.
- As a matter of common law, a single entity can neither contract with itself, nor can it enforce contracts against itself.
- The effect of this is twofold:
 - obligations in existing S106 Agreements cannot be enforced at law by PPDT against LLDC or by LLDC against PPDT. NB: this does not affect PPDT's ability to enforce the same obligations against any third party who acquires title to the bound land from LLDC nor does it affect such third party's ability to enforce the obligations against PPDT. Nor does it affect the ability of any successor organisation of PPDT's planning function to enforce those obligations against both LLDC as landowner/developer as well as against such a third party.
 - if any changes are needed to any existing S106 agreements binding LLDC land, then a legally binding deed of variation to which LLDC is a party cannot be entered into.

¹ In this note "LLDC" refers to LLDC in its role as landowner or developer and "PPDT" refers to LLDC in its role as local planning authority.

- This protocol has been prepared in respect of any planning obligations whether secured by a bilateral or unilateral deed made under s. 106 of the Town and Country Planning Act 1990 to which LLDC is a party as landowner² and which relates to development of land within the area for which PPDT is the local planning authority (a Principal Agreement). It sets out the steps that LLDC and PPDT are committed to taking to manage compliance with such Principal Agreements as well as setting out the approach that LLDC and PPDT are willing to adopt to deal with any variations to such deeds.
- In applying this protocol both LLDC and PPDT commit to act reasonably.

2. OPERATION OF S106

- Notwithstanding the deeds made under s. 106 by LLDC as landowner cannot now be enforced by PPDT, LLDC and PPDT commit to comply with their terms as if they could be enforced.
- Annual update reports to be submitted by LLDC within 20 working days of the end of each financial year on what S106 obligations have been triggered, whether such obligations have been discharged, whether there have been any "ghost" deeds of variation to the Principal Agreement (see paragraph 3 below), whether there have been any S106 agreements entered into where third parties have taken an interest in the site to which the Principal Agreement relates (see paragraph 3 below), whether there have been any disputes and the outcome of such disputes. Report to be approved by PPDT as a true reflection of the status of the relevant Principal Agreement in the past year and reported to the PPDT Planning Committee for noting. The Annual update reports to be made public so there is transparency.
- In the event of dispute regarding the interpretation of the terms of a Principal Agreement:
 - initially to be dealt with between the director of PPDT and LLDC's director of Real Estate. A note will be made of the outcome of the meeting and placed on the relevant planning file.
 - if the dispute is not resolved internally, it will be referred to a jointly instructed and external, independent legal expert appointed in accordance with the provisions attached at Annex 1 to this Protocol whose decision is binding.

² This includes deeds made under s106 relating to land which has been transferred to LLDC

- In the event of non-compliance with a term of the relevant deed made under s. 106:
 - PPDT to serve a written notice on LLDC identifying any breach and the steps required to remedy it. LLDC to respond within 10 working days either setting out a reasonable timetable and confirming the steps it intends to take to remedy the breach, or (if relevant) disputing the breach. Unless the procedure described below is triggered, LLDC will carry out the steps in accordance with the proposed timetable.
 - If there is a factual dispute as to whether there has been a breach or as to the appropriate steps to be taken to remedy any breach, this will initially be dealt with between the director of PPDT and LLDC's director of Real Estate. A note will be made of the outcome of the meeting and placed on the relevant planning file. Follow-up meetings will be arranged as necessary.
 - If the above steps do not lead to a mutually acceptable solution, each party will prepare and submit a report on the matter, including a recommended solution, to their respective committees. In the case of LLDC, the relevant committee is the LLDC Investment Committee and in the case of PPDT, the Planning Committee. Both committees shall consider the matter and the recommended solution.
 - If either committee rejects the recommendation made to it, the rejecting committee shall instruct its officers on what further steps to take to try to resolve the dispute.
 - If both committees endorse the recommendations set out in the respective reports (and assuming that the recommendations of the two reports conflict), the matter shall be referred to the Board for consideration. The Board's decision will be binding on both parties.

3. **VARIATIONS TO S106 AGREEMENTS / UNILATERAL UNDERTAKINGS**

- In the event that variations to an existing section 106 agreement or unilateral undertaking to which LLDC is a party as landowner (a Principal Agreement) are required, LLDC and PPDT will negotiate a draft deed of variation to reflect the changes notwithstanding it cannot be lawfully entered into as a bilateral agreement (a "Ghost Agreement"). A copy of the Ghost Agreement will be placed on PPDT's public planning file.
- Where appropriate, LLDC will bind itself (and its successors in title) by unilateral S106 undertaking to abide by the terms of the Ghost Agreement. In return for such an undertaking, PPDT will confirm by a reciprocal undertaking that it will only enforce the relevant Principal Agreement in a manner that is consistent with the Ghost Agreement. This reciprocal undertaking is intended to be binding on PPDT's successors in function.
- LLDC to ensure that any transfer to a third party of LLDC land against whom the Ghost Agreement could be enforced will be subject to a condition requiring completion of the Ghost Agreement by the transferee following completion of the land transfer.

Annex 1: Dispute Resolution Procedure

- 1) LLDC or PPDT may by serving notice on all the other (the "Notice") refer a dispute to an Expert for determination.
- 2) The Notice must specify:
 - a) the nature, basis and brief description of the dispute;
 - b) the Clause or paragraph of a Schedule or Appendix pursuant to which the dispute has arisen; and
 - c) the proposed Expert.
- 3) In the event that the parties are unable to agree who to appoint as the Expert within 10 (ten) Working Days after the date of the Notice then either party may request the President of the Law Society (except where paragraph 7 provides otherwise) to nominate the Expert at their joint expense.
- 4) The Expert shall act as an expert and not as an arbitrator and his decision will (in the absence of manifest error) be final and binding on the parties hereto and the Expert's cost shall be awarded at his discretion or in the event that he makes no determination, such costs will be borne by the parties to the dispute in equal shares.
- 5) The Expert will be appointed subject to an express requirement that he reaches his decision and communicates it to the parties within the minimum practicable timescale allowing for the nature and complexity of the dispute and in any event not more than 20 (twenty) Working Days from the date of his appointment to act (or such longer period as is agreed in writing between the parties).
- 6) The Expert will be required to give notice to each of the said parties inviting each of them to submit to him within 10 (ten) Working Days written submissions and supporting material and will afford to each of the said parties an opportunity to make counter submissions within a further 5 (five) Working Days in respect of any such submission and material.

BETWEEN:

- (1) [LONDON LEGACY DEVELOPMENT CORPORATION LIMITED of Level 10, 1 Stratford Place, Montfichet Road, London E20 1EJ] OR [LOCAL PLANNING AUTHORITY]¹ (the "LPA");
- (2) [**] of [**] (the "Owner"); and

RECITALS

Parties

- (A) The London Legacy Development Corporation ("**LLDC**") is the local planning authority for the area within which the Revised Site (including PDZ 4 and PDZ 5) is located for the purposes of Part 3 of the 1990 Act and is the local planning authority by whom the obligations contained in the Original Agreement are enforceable. Where in this Deed the LLDC is referred to in its capacity as the local planning authority, the LLDC is termed the "**LPA**".
- (B) The LLDC is also the freehold owner of the Developer's Land in PDZ 4 and PDZ 5. Where in this Deed the LLDC is referred to in its capacity as freehold owner it is termed the "**LLDC Landowner**".
- (C) The Owner is the [freehold/leasehold] owner of land registered under title number [**] details of which are set out in and shown on the plans appended at the Schedule to this Deed.

Background

- (D) The Olympic Park Legacy Company ("**OPLC**") submitted the Original Planning Application to the Olympic Delivery Authority (as local planning authority) on 30 September 2011 for the legacy redevelopment of the Queen Elizabeth Olympic Park (defined in the Original Agreement as the "**Development**").
- (E) On 1 April 2012, the Secretary of State for Communities and Local Government created the LLDC pursuant to the London Legacy Development Corporation (Establishment) Order 2012 as the successor organisation to the OPLC. LLDC took on responsibility for promoting the application submitted by the OPLC for the Development.
- (F) On 26 June 2012 the Olympic Delivery Authority (as local planning authority) resolved to grant the outline planning permission pursuant to the Original Planning Application for the Development subject to the completion of an agreement pursuant to section 106 of the 1990 Act.
- (G) On 28 September 2012 the Olympic Delivery Authority ("**ODA**"), LLDC (as developer) and Transport for London entered into the Original Agreement and planning permission was granted ("**the Original Planning Permission**").
- (H) On 1 October 2012 the ODA's planning functions and powers were transferred to LLDC and LLDC became the local planning authority for the area within which the Revised Site (including PDZ 4 and PDZ 5) is located for the purposes of Part 3 of

¹ Insert details of successor LPA in the event the transfer of LLDC PPDT's planning powers to another entity triggers the entering into of this deed.

the 1990 Act. The effect was that the LPA and the Developer became the same legal entity. Because LLDC could not contract with itself, LLDC could not vary the Original Agreement if changes were required to be made to it while LLDC was both landowner and local planning authority.

- (I) The Original Agreement is drafted so that it attaches not only to development carried out under the Original Planning Permission, but also to development carried out pursuant to any variations to the Original Planning Permission, or planning permission for any development on the Developer's Land which is related to or carried out in substitution for development authorised under the Original Planning Permission.
- (I) Since the grant of the Original Planning Permission a number of permissions have been granted pursuant to section 73 of the 1990 Act, the net effect of which is the slotting out of PDZ 1 and PDZ 2. [The most recent of these permissions was the Third S73 Permission which was granted on 25 July 2019 and is the permission pursuant to which the Development is being carried out].

Non Material Amendment Approval

- (J) On [****] 2021 the LPA issued the Non Material Amendment Approval. The effect of the Non Material Amendment Approval is to increase the amount of residential floorspace permitted to be constructed in PDZ4 and PDZ5 by an additional 38,923 square metres (circa 344 dwellings). A draft Deed of Variation was agreed to make changes to the affordable housing requirements within the Original Agreement insofar as they relate to PDZ4 and PDZ5. As a consequence of these changes the LPA has agreed to discharge the October 2019 Undertaking on the basis that the additional affordable housing in PDZ5 secured in that undertaking is included within the affordable housing secured by the draft Deed of Variation. . As part of the draft Deed of Variation it was also agreed to amend the obligations regarding delivery of healthcare facilities.

The Unilateral Undertakings

- (K) At the time that it was agreed to vary the affordable housing requirements in respect of PDZ4 and PDZ5, LLDC was both the LPA and owner of the Developer's Land in PDZ 4 and PDZ 5. As explained above for this reason LLDC could not complete the Deed of Variation.
- (L) To ensure that the provisions set out in Clause 7 of the Deed of Variation would nonetheless be legally binding, the LLDC Landowner gave a unilateral undertaking to the LPA on [**] 2021 to observe and perform the terms of the Original Agreement in relation to the Developer's Land in PDZ 4 and PDZ 5 as though it had been varied by the Deed of Variation ("UU1"). UU1 was given under section 106 of the 1990 Act and is binding on both the LLDC Landowner's interests in the Developer's Land in PDZ 4 and PDZ 5 and on the interests in that land of any successors in title.
- (M) In return for UU1, the LPA gave a reciprocal undertaking under section 201 of the 1990 Act on [**] 2021 in which (conditional on the performance of the Original Agreement as deemed to be varied by the Deed of Variation) it was bound to only enforce the Original Agreement as though it had been effectively varied by the Deed of Variation ("UU2"). UU2 was given for the benefit of any owner of the Developer's Land in PDZ 4 and PDZ 5 from time to time.
- (N) If LLDC's planning function is transferred to a successor organisation, it is expected that UU2 will be transferred to and binding on the successor local planning authority under a formal scheme of transfer.

- (O) UU1 and UU2 by themselves do not vary the Original Agreement. Instead, they are binding promises on the part of the owners of the Developer's Land in PDZ 4 and PDZ 5 and on the part of the local planning authority to treat the Original Agreement as though it had been varied in accordance with the terms of the Deed of Variation.
- (P) UU1 requires at Clause 3.3 certain persons acquiring title to all or any part of the Developer's Land in PDZ 4 and PDZ 5 to enter into a Deed of Variation or (if a Deed of Variation has already been completed) a Confirmatory Deed. The purpose of the Deed of Variation and Confirmatory Deeds (once completed) is to create certainty particularly as to how the LPA will manage the amended development. UU1 also requires LLDC Landowner at Clause 3.5 to procure that the owners of certain leasehold interests granted prior to the date of UU1 enter into a Deed of Variation or (if a Deed of Variation has already been completed) a Confirmatory Deed.

Deed of Variation and this Confirmatory Deed

- (Q) A Deed of Variation was completed on [**] and accordingly the Owner is entering into this Confirmatory Deed. Both the Deed of Variation and this Confirmatory Deed are drafted as a simple deed of variation to the Original Agreement to be made under section 106A of the 1990 Act. The variations are effected by Clause 7 of the Deed of Variation.
- (R) Neither the Deed of Variation nor this Confirmatory Deed is itself made under section 106 of the 1990 Act. The reason for this is to simplify the process of any future variations to the Original Agreement. Should these become necessary, the intention is that they will be effected by varying just the Original Agreement (as already amended) and UU1 and UU2 without also having to vary the Deed of Variation, this Confirmatory Deed and any other Confirmatory Deeds.
- (S) Notwithstanding the fact that this Confirmatory Deed is not itself made under section 106 of the 1990 Act, once completed the Original Agreement as varied by the Deed of Variation will be enforceable against the parties to this Confirmatory Deed and their successors in title because of the binding nature of the Original Agreement described in Recital L above and because of the effect of UU1 described below.
- (T) Because this Deed seeks to vary site-wide obligations, section 106A of the 1990 Act requires any party against whom such obligations are enforceable be a party to this Deed.
- (U) The LPA recognises that some interests affected by the amendments secured by the Deed of Variation may not be willing or able to be a party to a Confirmatory Deed. In these circumstances, the LPA considers that a Confirmatory Deed (incorporating appropriate amendments) need only be completed by the LPA (from time to time) and the third party required to enter into this Deed by Clauses 3.3 and 3.5 of UU1. As regards the amended site-wide obligations secured under UU1, other parties can rely on and enforce the LPA's promises given for their benefit in UU2.

OPERATIVE PROVISIONS:

1. INTERPRETATION

- 1.1 In this Deed (which shall include the Recitals, Schedule and Appendix hereto) the following words and expressions have the following meanings:

Deed of Variation means the Deed of Variation dated [**] entered into between the LPA and [**] giving effect to variations to the Original Agreement;

Plan means the land shown xxxx on the plan in the Schedule to this Agreement.

- 1.2 All words and phrases defined in the Deed of Variation shall have the same meaning in this Deed save where the context otherwise dictates.
- 1.3 In this Deed:
 - 1.3.1 unless otherwise indicated references to the singular include the plural and references to the plural include the singular and words importing any gender include every gender;
 - 1.3.2 unless otherwise indicated words importing persons include firms, companies, other corporate bodies or legal entities and vice versa.
- 1.4 The Interpretation Act 1978 shall apply to this Deed.
- 1.5 The "Deed" includes the Schedule, Appendix and Recitals to this Deed.
- 1.6 If any provision of this Deed is held to be illegal invalid or unenforceable the legality validity and enforceability of the remainder of the Deed is (if and to the extent that it may properly and lawfully be construed as such) to be unaffected.

2. **EFFECT OF THIS DEED**

- 2.1 This Deed is made pursuant to:
 - 2.1.1 section 106A of the 1990 Act; and
 - 2.1.2 sections 201, 205 and 206 of the 2011 Act, section 156, Schedule 10 and Schedule 11 of the Greater London Authority Act 1999 and all other powers so enabling.

3. **VARIATION OF ORIGINAL AGREEMENT**

The Parties enter into this Confirmatory Deed to record their agreement that the Original Agreement is varied as set out in the Deed of Variation (and for the avoidance of doubt subject to the same conditionality as set out in Clause 3 of the Deed of Variation).

4. **EXCLUSION OF CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999**

The Parties to this Deed do not intend that any term of this Deed shall be enforceable under the Contracts (Rights of Third Parties) Act 1999 by a person who is not a party to this Deed.

5. **JURISDICTION AND LEGAL EFFECT**

- 5.1 This Deed shall be governed by and interpreted in accordance with the law of England.
- 5.2 The provisions of this Deed (other than this Clause 5.2 which shall be effective in any event) shall be of no effect until this Deed has been dated.

6. **EXECUTION**

The Parties have executed this Deed as a deed and it is delivered on the date set out at the front of this Deed.

LONDON LEGACY DEVELOPMENT CORPORATION
s106 ENFORCEMENT PROTOCOL

1. INTRODUCTION

- In March 2012 the London Legacy Development Corporation (LLDC) was established as a Mayoral Development Corporation with responsibility for regenerating an area of east London focused on the Queen Elizabeth Olympic Park. Subsequently, various transfer schemes transferred land including the Olympic Park to LLDC.
- On 1 October 2012, LLDC also became the local planning authority for the land within its area. LLDC's planning powers were delegated by a resolution of LLDC's board to the Planning Policies and Decisions Team (PPDT)¹, a directorate within LLDC which reports to LLDC's Board.
- From a planning perspective, LLDC combines in a single legal entity two distinct roles; firstly as landowner/developer whose land is already bound by several agreements made under S106 of the Town and Country Planning Act 1990 (a S106 Agreement), secondly as the planning authority responsible for enforcing compliance with those agreements.
- As a matter of common law, a single entity can neither contract with itself, nor can it enforce contracts against itself.
- The effect of this is twofold:
 - obligations in existing S106 Agreements cannot be enforced at law by PPDT against LLDC or by LLDC against PPDT. NB: this does not affect PPDT's ability to enforce the same obligations against any third party who acquires title to the bound land from LLDC nor does it affect such third party's ability to enforce the obligations against PPDT. Nor does it affect the ability of any successor organisation of PPDT's planning function to enforce those obligations against both LLDC as landowner/developer as well as against such a third party.
 - if any changes are needed to any existing S106 agreements binding LLDC land, then a legally binding deed of variation to which LLDC is a party cannot be entered into.

¹ In this note "LLDC" refers to LLDC in its role as landowner or developer and "PPDT" refers to LLDC in its role as local planning authority.

- This protocol has been prepared in respect of any planning obligations whether secured by a bilateral or unilateral deed made under s. 106 of the Town and Country Planning Act 1990 to which LLDC is a party as landowner² and which relates to development of land within the area for which PPDT is the local planning authority (a Principal Agreement). It sets out the steps that LLDC and PPDT are committed to taking to manage compliance with such Principal Agreements as well as setting out the approach that LLDC and PPDT are willing to adopt to deal with any variations to such deeds.
- In applying this protocol both LLDC and PPDT commit to act reasonably.

2. OPERATION OF S106

- Notwithstanding the deeds made under s. 106 by LLDC as landowner cannot now be enforced by PPDT, LLDC and PPDT commit to comply with their terms as if they could be enforced.
- Annual update reports to be submitted by LLDC within 20 working days of the end of each financial year on what S106 obligations have been triggered, whether such obligations have been discharged, whether there have been any "ghost" deeds of variation to the Principal Agreement (see paragraph 3 below), whether there have been any S106 agreements entered into where third parties have taken an interest in the site to which the Principal Agreement relates (see paragraph 3 below), whether there have been any disputes and the outcome of such disputes. Report to be approved by PPDT as a true reflection of the status of the relevant Principal Agreement in the past year and reported to the PPDT Planning Committee for noting. The Annual update reports to be made public so there is transparency.
- In the event of dispute regarding the interpretation of the terms of a Principal Agreement:
 - initially to be dealt with between the director of PPDT and LLDC's director of Real Estate. A note will be made of the outcome of the meeting and placed on the relevant planning file.
 - if the dispute is not resolved internally, it will be referred to a jointly instructed and external, independent legal expert appointed in accordance with the provisions attached at Annex 1 to this Protocol whose decision is binding.

² This includes deeds made under s106 relating to land which has been transferred to LLDC

- In the event of non-compliance with a term of the relevant deed made under s. 106:
 - PPDT to serve a written notice on LLDC identifying any breach and the steps required to remedy it. LLDC to respond within 10 working days either setting out a reasonable timetable and confirming the steps it intends to take to remedy the breach, or (if relevant) disputing the breach. Unless the procedure described below is triggered, LLDC will carry out the steps in accordance with the proposed timetable.
 - If there is a factual dispute as to whether there has been a breach or as to the appropriate steps to be taken to remedy any breach, this will initially be dealt with between the director of PPDT and LLDC's director of Real Estate. A note will be made of the outcome of the meeting and placed on the relevant planning file. Follow-up meetings will be arranged as necessary.
 - If the above steps do not lead to a mutually acceptable solution, each party will prepare and submit a report on the matter, including a recommended solution, to their respective committees. In the case of LLDC, the relevant committee is the LLDC Investment Committee and in the case of PPDT, the Planning Committee. Both committees shall consider the matter and the recommended solution.
 - If either committee rejects the recommendation made to it, the rejecting committee shall instruct its officers on what further steps to take to try to resolve the dispute.
 - If both committees endorse the recommendations set out in the respective reports (and assuming that the recommendations of the two reports conflict), the matter shall be referred to the Board for consideration. The Board's decision will be binding on both parties.

3. **VARIATIONS TO S106 AGREEMENTS / UNILATERAL UNDERTAKINGS**

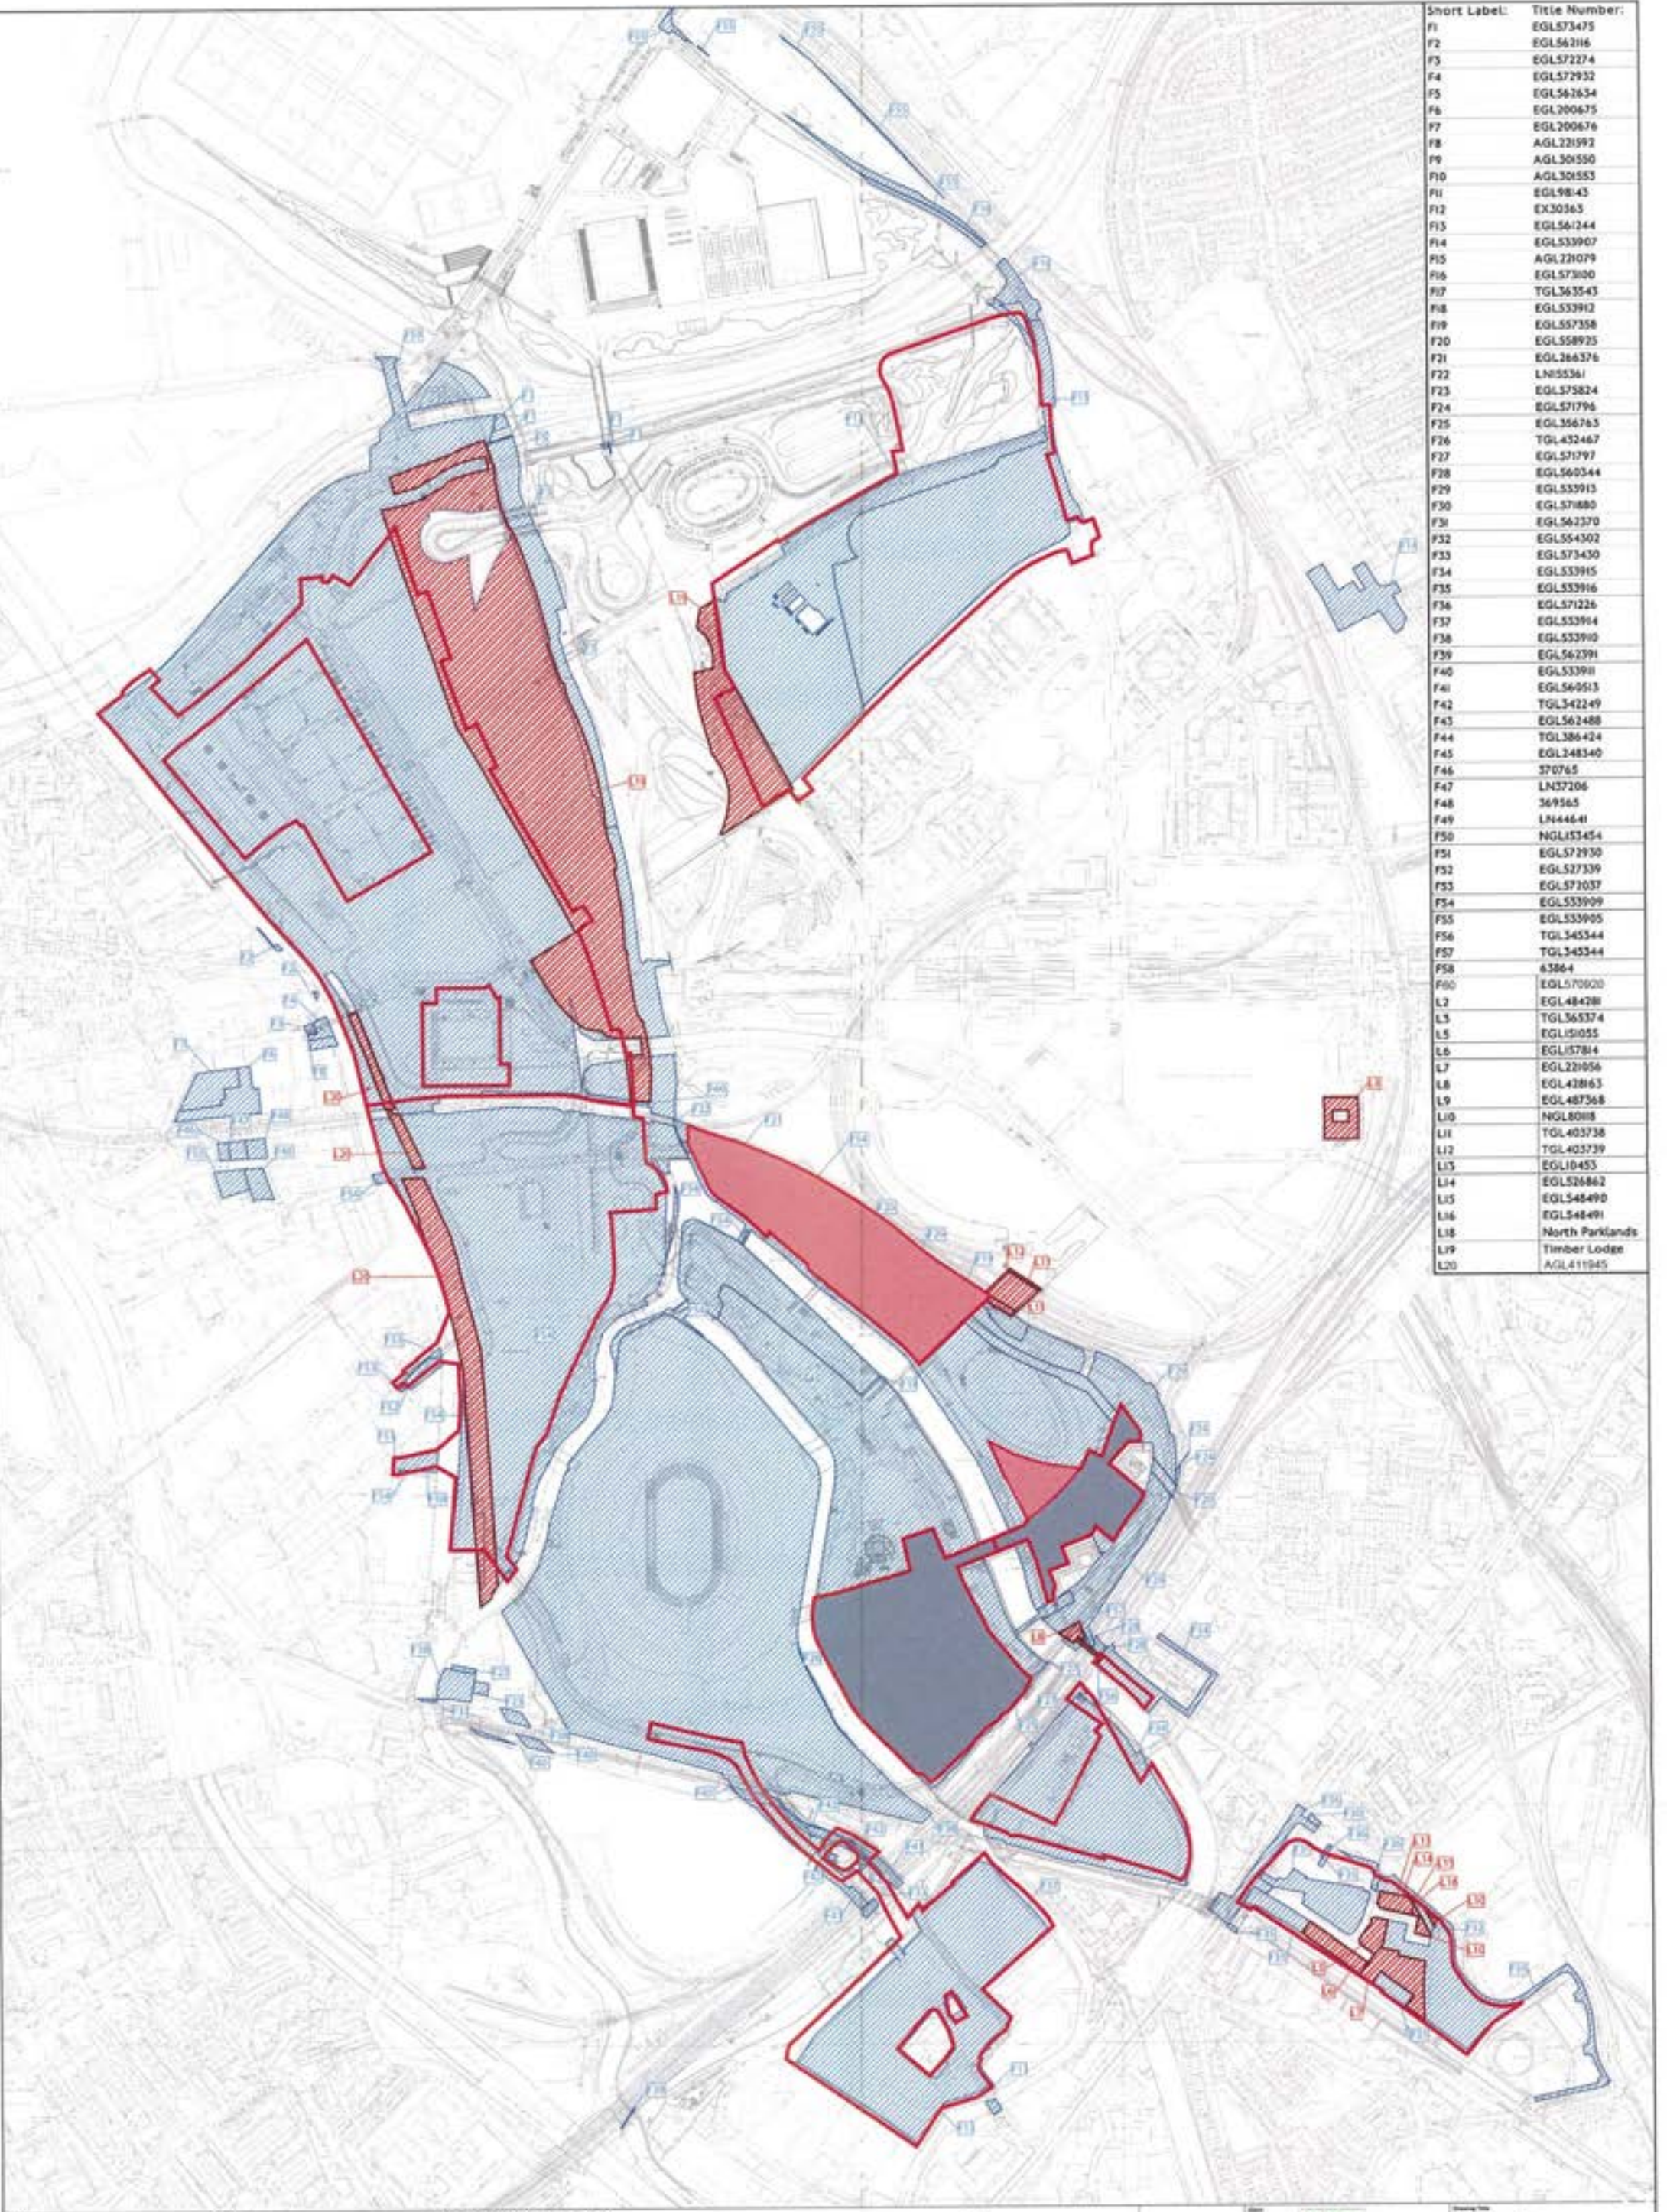

- In the event that variations to an existing section 106 agreement or unilateral undertaking to which LLDC is a party as landowner (a Principal Agreement) are required, LLDC and PPDT will negotiate a draft deed of variation to reflect the changes notwithstanding it cannot be lawfully entered into as a bilateral agreement (a "Ghost Agreement"). A copy of the Ghost Agreement will be placed on PPDT's public planning file.
- Where appropriate, LLDC will bind itself (and its successors in title) by unilateral S106 undertaking to abide by the terms of the Ghost Agreement. In return for such an undertaking, PPDT will confirm by a reciprocal undertaking that it will only enforce the relevant Principal Agreement in a manner that is consistent with the Ghost Agreement. This reciprocal undertaking is intended to be binding on PPDT's successors in function.
- LLDC to ensure that any transfer to a third party of LLDC land against whom the Ghost Agreement could be enforced will be subject to a condition requiring completion of the Ghost Agreement by the transferee following completion of the land transfer.

Annex 1: Dispute Resolution Procedure

- 1) LLDC or PPDT may by serving notice on all the other (the "Notice") refer a dispute to an Expert for determination.
- 2) The Notice must specify:
 - a) the nature, basis and brief description of the dispute;
 - b) the Clause or paragraph of a Schedule or Appendix pursuant to which the dispute has arisen; and
 - c) the proposed Expert.
- 3) In the event that the parties are unable to agree who to appoint as the Expert within 10 (ten) Working Days after the date of the Notice then either party may request the President of the Law Society (except where paragraph 7 provides otherwise) to nominate the Expert at their joint expense.
- 4) The Expert shall act as an expert and not as an arbitrator and his decision will (in the absence of manifest error) be final and binding on the parties hereto and the Expert's cost shall be awarded at his discretion or in the event that he makes no determination, such costs will be borne by the parties to the dispute in equal shares.
- 5) The Expert will be appointed subject to an express requirement that he reaches his decision and communicates it to the parties within the minimum practicable timescale allowing for the nature and complexity of the dispute and in any event not more than 20 (twenty) Working Days from the date of his appointment to act (or such longer period as is agreed in writing between the parties).
- 6) The Expert will be required to give notice to each of the said parties inviting each of them to submit to him within 10 (ten) Working Days written submissions and supporting material and will afford to each of the said parties an opportunity to make counter submissions within a further 5 (five) Working Days in respect of any such submission and material.
