

## Construction works update

The works on Stratford Walk – the entrance to the Park from Westfield – continue as new landscaping, benches and lighting are installed.

Stratford Walk is part of the preparation for East Bank which will start to open later in 2023. The hoardings that are in place around East Bank public realm will start to come down at the end of August, as we gear up towards welcoming 6000 students to the Park in the autumn.

Resurfacing works on the bridge by the fountains (bridge 1) and the bridge to Bobby Moore Academy

primary school (bridge 3) will take place over the summer; please follow the diversion routes that will be in place. The works on Sweetwater Place and along Carpenters Road will be finished over the summer.

This is the remaining piece of infrastructure that will be key to our work in connecting the Park to local neighbourhoods.

Enabling works and piling works for the latest phase at East Wick and Sweetwater are now complete. The main contract and above ground works are due to commence in the summer.

## See you at The Great Get Together!

Join us at the **Great Get Together**, a fabulous, free community celebration, on **Saturday 1 July** in the south of the Park. The event is inspired by and showcases the best of east London, bringing together music, dance, arts, sports and food for everyone to enjoy.

East Bank partners the V&A, Sadler's Wells, BBC, UCL and UAL's London College of Fashion will host a range of fun and engaging activities at the ever-popular East Bank Zone, before the arts and culture venues that form East Bank begin to open later this year.

As always, live music will form a big part of the day. In collaboration with the BBC, the Great Get Together will feature captivating musical headline acts from BBC Introducing.

Also performing on the Main Stage are a number of top choral groups. Watch out for NewYVC,

a vocal collective of 11-25 year olds singing everything from gospel to Mozart. Plus catch the Stratford East Singers, known for their appearances on the X-Factor. The iconic BBC Singers, founded 99 years ago, will also take the mics for a wide repertoire of choral music.

As ever, there will also be a wide array of workshops on offer for all the family.
