

LOCAL COMMUNITY ACTIVITY LIST

YOUR NEIGHBOURHOOD TALKS

This list is a collection of some of the brilliant activities run by local organisations and businesses. This is a trial document that aims to keep the community informed about events happening in and around the Park. We intend to publish an updated list of activities after each Your Neighbourhood Talks event. This is in no way an exhaustive list and we hope for it to grow over time. If you have any suggestions of activity that should be included in the next list or potential collaborators please let us know!
