3. DECLARATIONS OF INTEREST (AGENDA ITEM 3)

3.1. The Secretary read the following statement:

"Members of this Planning Committee need to declare personal interests relevant to the agenda at the beginning of each meeting of the Planning Committee.

"Members will see that the paper for Item 3 which has been circulated lists interests which they have declared which appear to be personal interests relating to Item 5.

"Would Members please confirm that the declarations of personal interests listed in the paper for Item 3 are correct; and state if there are any other interests you wish to declare?

"Personal interests are prejudicial if a reasonable member of the public with knowledge of the relevant facts would conclude that the nature of your personal interest is such that your judgement of the public interest is likely to be affected. If, by virtue of your personal interest you have been involved in decisions about these proposals, you may have a prejudicial interest. In that circumstance you would need to leave the meeting during the consideration of that item. In light of the agenda before you this evening, please state whether or not any of the interests declared are prejudicial interests?"

Members confirmed that the other personal interests recorded were correct and that none were considered prejudicial.

5. 09/90438/FUMODA- Eastern Loop Road (AGENDA ITEM 5)

Full planning application for the temporary Eastern Loop road, comprising: layout, alignment and width of temporary access road; Temporary widening of
the embankment profile and kerb alignment of Bridge 3 as approved by 09/90120/FULODA
Olympic Park – Planning Delivery Zones 9 and 11, London Borough of Newham and Waltham Forest.

5.1 A PDT Officer explained that the application seeks temporary planning permission for the Eastern Loop Road in PDZ11 of the Olympic Park. The design of the road falls outside the scope of the original Site Preparation Planning Permission (ref. 09/90011/FUMODA), and is brought forward as a “slot-in” application. The proposed Eastern Loop Road will provide an unobstructed, safe and secure vehicular route for use by accredited user groups. No objections have been received from relevant statutory consultees.

5.2 A member asked for clarification regarding the specific materials that would be used for the work as the drawings did not convey this. A PDT Officer agreed to add wording to clarify this point in Condition 7.

5.3 A member asked for clarification regarding the security measures surrounding Bridge 3. It was agreed that additional information regarding the minimum width for the footpath would be included.

5.4 There being no further questions the Chairman moved to a vote and the Planning Committee RESOLVED that:

the Committee:

AUTHORISED the Head of Development Control to agree the application for approval and grant planning permission subject to the conditions and informatives set out in the report and update report.
