## STRATEGIC REPORT FOR THE PERIOD ENDED 31 MARCH 2019

### Introduction

The Directors present their strategic report of the company for the period ended 31 March 2019.

London Stadium 185 Limited ('the company'), then a Vinci Stadium subsidiary, was appointed to operate and maintain the London Stadium at Queen Elizabeth Olympic Park for a period of 25 years, commencing in February 2015.

On the 21 January 2019, further to an agreement between E20 Stadium LLP, the stadium owner and Vinci Stadium, the shares of the company were acquired by E20 Stadium LLP. E20 Stadium LLP is a subsidiary of London Legacy Development Corporation (LLDC). LLDC is responsible for the long-term planning, development, management and maintenance of Queen Elizabeth Olympic Park.

The company's mission remains unchanged post-transaction and is to deliver a multi-event schedule at the London Stadium and maximise its commercial development. The existing staff and leadership team, as well as most of the contracts in place pre-transaction, were not affected by the change of ownership. The acquisition gives E20 Stadium LLP full control of the stadium operations, allowing it to better deliver its plans to make the stadium operationally efficient and financially sustainable in the long-term. No changes were made to the terms of the operator agreement between E20 Stadium LLP and LLDC and London Stadium 185 Limited, following the acquisition of the company.

It was agreed to align the company's financial year to that of E20 Stadium LLP (from 1 April to 31 March) and, as such, the 2018 financial year has been extended to 31 March 2019. It was also agreed to appoint Ernst & Young LLP, the auditors of E20 Stadium LLP, as the company's auditors.

### Business review

Over the past 15 months, London Stadium has attracted 2 million visitors, with West Ham United Football Club playing 32 matches, two Saracens-Harlequins rugby games in March (2018 and 2019), two Athletics events in July and six successful concerts (Rolling Stones, Beyoncé and Foo Fighters) in the summer, which were rewarded with the 'Best Venue Teamwork Award' from Live Music UK. The company continues to further diversify the Stadium offering, which is set to gather pace in 2019 as global event owners seek to partner with London Stadium. The company's event and commercial strategies are underpinned by a resolute commitment to the Stadium's surrounding communities and to further enhancing its partnerships with LLDC and London Borough of Newham to ensure that local residents benefit from access to tickets, jobs and facilities.

This has been a fantastic and rewarding third year operating and managing the Stadium and associated areas.

### Outlook

The future Stadium events programme will build on previous successes, with one concert held in June (Muse), the Muller Anniversary Games in July and, the highlight of the year, two Major League Baseball games in June (New York Yankees and Boston Red Sox) for the first time in Europe. Alongside this, commercial partners are being brought on board and other small events such as conferences and banqueting, filming and photoshoots are being promoted.

As part of the Stadium's modernisation plan, it is planned to install a high density Wi-Fi system within the Stadium, which will be a substantial capital investment.

With a simplified management structure and the direct support from E20 Stadium LLP and LLDC, the company will be able to further maximise the fantastic potential of the venue and put the Stadium on an improved financial footing.

This report was approved by the Board on **18 December 2019** and signed on its behalf.

### DIRECTORS' REPORT FOR THE PERIOD ENDED 31 MARCH 2019

Company registration number: 09359341

The financial statements cover the 15 months period from 1 January 2018 to 31 March 2019.

The financial statements have been presented in pounds sterling currency and amounts have been rounded to the nearest pound sterling.

The directors present their report and the financial statements for the period ended 31 March 2019.

#### **Directors' responsibilities statement**

The directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Principal activity**

The principal activity of the company in the year under review was that of the management and the operations of the London Stadium at Queen Elizabeth Olympic Park.

#### **Results and dividends**

The loss for the period, after taxation, amounted to £651,340 (2017 - loss £790,881).

The directors did not recommend any payment of ordinary dividend during the financial period to 31 March 2019.

### DIRECTORS' REPORT (CONTINUED) FOR THE PERIOD ENDED 31 MARCH 2019

#### Directors

The directors who served during the period were:

A Boutelier (appointed 17 December 2014, resigned 21 January 2019)  
G Olive (appointed 15 June 2015)  
P Coppey (appointed 17 January 2017, resigned 21 January 2019)  
P Priam (appointed 17 January 2017, resigned 21 January 2019)  
P Paris (appointed 18 September 2017, resigned 21 January 2019)  
D Raczkowski (appointed 18 April 2018)  
T Dufay (appointed 18 April 2018, resigned 21 January 2019)  
M Camley (appointed 21 January 2019)  
G M M Murphy (appointed 21 January 2019)  
L Garner (appointed 21 January 2019)

There was a change to the number of directors between the period ended 31 March 2019 and the date of the report: P Swordy was appointed as director on 15 May 2019.

#### Qualifying third-party and pension scheme indemnity provisions

A Group Personal Pension Scheme has been put in place with Royal London Pension Provider and the set up of the scheme was activated on 1 August 2017. The directors Graham Olive, Darren Raczkowski and Thibaut Dufay are recipients of the Royal London Group Pension Scheme. Beforehand a Group Pension Scheme was in place with Scottish Equitable PLC trading as Aegon of which only Graham Olive was a recipient of before the switch to Royal London.

A Group Private Medical cover was put in place at BUPA Insurance Limited, for the employees of London Stadium 185 Limited. The directors Graham Olive, Darren Raczkowski and Thibaut Dufay are recipients of the BUPA health insurance and their subscription cover (No. 55314009737) was effective respectively as from 3 August 2015, 18 September 2018 and 27 November 2017.

The directors Graham Olive, Darren Raczkowski and Thibaut Dufay are also recipients of the Canada Life Group Life Assurance Scheme and their subscription cover (Policy E18693/1/L) was effective respectively as from 23 September 2015, 1 January 2017 and 9 February 2018.

#### Political contributions

There were no political donations made by the company during the financial period in review.

#### Future developments

The directors aim to continue developing the management policies and procedures to sustain the company's development, and to maximise the commercial development of the company through event deals and partnership deals.

The Connected Stadium project to deliver a Wi-Fi enabled stadium and digital tools such as website and digital application) was put on hold at the end of 2018 due to the impending change of ownership but is now reactivated and its installation is on track for completion in early 2020. The company has continued the development of the commercial activities. For instance, the company has secured commercial deals for one concert (Muse) and two Major League Baseball games in June 2019 and has started discussing about event deals in 2020 and beyond. Confirmed 2020 events include:

- Major League Baseball
- Green Day concert
- Anniversary Games (athletics)

### DIRECTORS' REPORT (CONTINUED) FOR THE PERIOD ENDED 31 MARCH 2019

#### Going Concern

Following approval, in March 2019, of London Stadium 185 Limited's (LS185) twelve-month budget and cash forecast for the financial year 2019/20 by the E20 Stadium LLP (E20 LLP) Board, LS185 has benefitted from agreed improvements to contractual arrangements including the UK Athletic Concession Agreement and the West Ham United Football Club Concession Agreement with E20 Stadium LLP. However, forecasts in relation to the cost of hosting West Ham United Football Club matches continue to present challenges for the long-term future financial performance of the Stadium.

The Directors have a reasonable expectation based on progress made to date and the Greater London Authority's commitment to provide support for the whole LLDC Group, including LS185, that adequate resources will be made available for a period of at least one year from the date of approval of these accounts.

Accordingly, the directors adopt the going concern basis in preparing the annual report and financial statements.

#### Employees

The directors have taken several actions during the period in review, to introduce, maintain or develop arrangements aimed at involving UK employees in the entity's affairs. There is a systematic provision of relevant information to employees through weekly team meetings in which the Senior Executive Team shares information and discusses strategic matters. There is a regular consultation with employees so that employee's views may be taken into account, in making decisions that are likely to affect their interests. The employees are made aware of the financial and economic factors affecting the company's performance.

The directors will abide by the UK policy for giving full and fair consideration to applications for employment from disabled people, the policy for employment, training, career development and promotion of disabled people and for the continuing employment and training of employees who might have become disabled while employed by the company.

All vacancies are advertised locally through Newham Workplace as well as more widely dependent on any specialism required.

#### Disclosure of information to auditors

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

#### Post balance sheet events

There are no post balance sheet events.

#### Auditors

The auditors, Ernst & Young LLP, Statutory Auditors, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LONDON STADIUM 185 LIMITED

#### Opinion

We have audited the financial statements of London Stadium 185 Limited for the period ended 31 March 2019, which comprise of the Statement of financial position, the Statement of comprehensive income and the Statement of changes in equity and the related notes 1 to 20, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 March 2019 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report below. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The other information comprises the information included in the annual report set out on pages 1-5, other than the financial statements and our Auditors' report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the

## LONDON STADIUM 185 LIMITED

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LONDON STADIUM 185 LIMITED (CONTINUED)

work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report or the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of directors**

As explained more fully in the Directors' responsibilities statement on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

LONDON STADIUM 185 LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LONDON STADIUM 185 LIMITED  
(CONTINUED)

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' report.

**Use of our report**

This report is made solely to the Company's members as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

##### (ii) Private medical cover

The company operates a group private medical cover scheme for its employees. The benefits that are covered under that scheme include treatment as an out-patient, treatment in hospital, cancer treatment, mental health treatment, treatment at home and cash benefits for in-patient treatment. The scheme provider applies the Moratorium underwriting method.

The payments are recognised as an expense when they are due.

The assets of the scheme are held separately from the company in independently administered funds.

##### (iii) Group life assurance

#### 3. Accounting policies (continued)

##### 3.8 Employee benefits (continued)

The company operates a group life assurance scheme for its employees. The group life assurance scheme is a scheme under which the company pays premiums into a separate entity. Once the premiums have been paid, the company has no further payment obligations. The premiums payments are recognised as an expense when they are due. The assets of the scheme are held separately from the company in independently administered funds.

##### (iv) Defined contribution pension plan

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in the Statement of Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of Financial Position. The assets of the plan are held separately from the Company in independently administered funds.

##### 3.9 Taxation

Tax is recognised in the Statement of Comprehensive Income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company has traded.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Statement of Financial Position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

Current or deferred taxation assets and liabilities are not discounted.

##### 3.10 Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.

##### 3.11 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

At each reporting date the company assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined which is the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

The Company adds to the carrying amount of an item of fixed assets the cost of replacing part of such an item when that cost is incurred, if the replacement part is expected to provide incremental future benefits to the Company. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to profit or loss during the period in which they are incurred.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

The estimated useful lives range as follows (years):

Office Premises	-	5
Refurbishment of Medical Rooms	-	5
Software Development	-	3
Equipment and Tools	-	3
Licence Fees	-	24
IT Development	-	7
Turf Equipment	-	7
Hospitality and Commercial Fixtures and Fittings	-	7
Plant & Machinery	-	5
Stadium Grow Lighting	-	7

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of comprehensive income.

##### 3.12 Government grants

Government grants are recognised in the income statement so as to match them with the expenditure towards which they are intended to contribute. To the extent that the grant is made as a contribution towards expenditure on a fixed asset, and since the company is governed by the accounting and reporting requirements of UK company legislations, the grant is not deducted from the purchase price or production costs of the fixed asset. In this case, the amount so deferred has been treated as deferred income.

A government grant has been recognised in the income statement until the conditions for its receipt have been complied with, and there is reasonable assurance that the grant will be received.

Government grants capital has been released and recognised in the income statement, to the extent that they match with the depreciation level of the fixed assets purchased with the grants.

##### 3.13 Leased assets

At inception, the company assesses agreements that transfer the right to use assets. The assessment considers whether the arrangement is, or contains, a lease based on the substance of the arrangement.

###### (i) Finance leased assets

Leases of assets that transfer substantially all the risks and rewards incidental to ownership are classified as finance leases.

Finance leases are capitalised at commencement of the lease as assets at the fair value of the leased asset or, if lower, the present value of the minimum lease payments calculated using the interest rate implicit in the lease. Where the implicit rate cannot be determined, the company's incremental borrowing rate is used. Incremental direct costs, incurred in negotiating and arranging the lease, are included in the cost of the asset.

Assets are depreciated over the shorter of the lease term and the estimated useful life of the asset. Assets are assessed for impairment at each reporting date.

The capital element of lease obligations is recorded as a liability on inception of the arrangement. Lease payments are apportioned between capital repayment and finance charge, using the effective interest rate method, to produce a constant rate of charge on the balance of the capital repayments outstanding.

The company does not currently have any finance leased assets.

###### (ii) Operating leased assets

Leases that do not transfer all the risks and rewards of ownership are classified as operating leases. Rentals payable under operating leases are charged to the income statement on a straight line basis over the period of the lease.

##### 3.14 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

##### 3.15 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

##### 3.16 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

##### 3.17 Provisions for liabilities

Provisions are made where an event has taken place that gives the Company a legal or constructive obligation that probably requires settlement by a transfer of economic benefit, and a reliable estimate can be made of the amount of the obligation.

Provisions are charged as an expense to the Statement of comprehensive income in the year that the Company becomes aware of the obligation, and are measured at the best estimate at the Statement of financial position date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

When payments are eventually made, they are charged to the provision carried in the Statement of financial position.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

In particular:

- (i) Restructuring provisions are recognised when the company has a detailed, formal plan for the restructuring and has raised a valid expectation in those affected by either starting to implement the plan or announcing its main features to those affected and therefore has a legal or constructive obligation to carry out the restructuring; and
- (ii) Provision is not made for future operating losses.

Provisions are measured at the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as a finance cost.

##### 3.18 Financial liabilities

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form.

Financial liabilities within the scope of IAS 39 are initially classified as financial liabilities at fair value through profit or loss, loans and borrowings, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

The Group determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at fair value and in the case of loans and borrowings, plus directly attributable transaction costs.

Subsequently, the measurement of financial liabilities depends on their classification as follows:

###### **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss includes financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are acquired for the purpose of repurchasing in the near term. Derivatives, including separately embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in profit or loss.

##### 3.18 Financial liabilities (continued)

###### Derecognition of financial liabilities

A liability is derecognised when the contract that gives rise to it is settled, sold, cancelled or expires.

Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such as an exchange or modification, this is treated as a derecognition of the original liability, such that the difference in the respective carrying amounts together with any costs or fees incurred are recognised in profit or loss.

#### 4. Judgments in applying accounting policies and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 3, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered relevant. Actual results may differ from the estimates.

#### 5. Turnover

All turnover arose from the company's sole principal activity which is the management and operation of the London Stadium at Queen Elizabeth Olympic Park in London.

All turnover arose within the United Kingdom.

#### 6. Employees

Staff costs, including directors' remuneration, were as follows:
