Dear Anthony,

**MSG SPHERE (19/00097/FUL AND 19/00098/ADV)
Land lying to the west of Angel Lane, Stratford, London, E15 1AA**

As you will be aware, on 28 August 2020 we submitted further information on behalf of Stratford Garden Development Limited (the Applicant) in response to the LLDC's Regulation 25 request issued on 20 May 2020 in relation to the above Applications. As part of the submission, Schedule 1 of the DP9 cover letter (dated 28 August 2020) included a consolidated list of the latest versions of application documents submitted in support of the Applications.

In response to a request for clarification from officers, an updated table is included at Schedule 1. This table explains which previously submitted application documents have now been superseded.

If you require any further information, please do not hesitate to contact Chris Goddard, Chris Gascoigne or Joe Stockton at this office.

Yours sincerely,

A handwritten signature in black ink that reads 'DP9 Ltd'.

DP9 Ltd

Schedule 1 - Applications submission content

Full Application (19/00097/FUL)

| Submitted information | Date of submission |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Drawings | |
| Existing and proposed drawings (Populous): <ul style="list-style-type: none"> • Site location plan; • Existing site drawings; • Proposed site drawings; • Proposed bridge drawings; • Proposed general arrangement drawings; • Proposed section drawings; • Proposed elevation drawings; • Proposed design details drawings; • Proposed landscape drawings | <p><i>March 2019 submission</i> - Existing and proposed drawings were submitted as part of the March 2019 submission.</p> <p><i>November 2019 submission</i> - the November 2019 submission included new drawings and superseded certain drawings that were submitted as part of the March 2019 submission.
