Dear [REDACTED]

Thank you for your request for information, received on 24 December 2012. You asked us the following question:

Considerable sums were paid to LOCOG by the various sponsors etc. What was that total and has it been used to reduce the final cost to your now claimed £8.921 Billion final cost. I note you still claim that there is a saving on the £9.298 'budget'. The original winning budget was £2.4 Billion.

The London Legacy Development Corporation (Legacy Corporation) does not hold any information on the LOCOG budget; however no funding by sponsors went towards the cost of building the Olympic Park.

Information on the £8.921 billion final cost is held by the Olympic Delivery Authority (ODA). If you wish to re-direct this part of your request to the ODA you may contact them in writing via e-mail at [Information.Officer@london2012.com](mailto:Information.Officer@london2012.com) or by writing to:
