Dear [REDACTED]

Thank you for your request for information, received on 6 March 2013. You asked us the following questions:

Under the FOI Act, can you please provide me full departmental organisational charts for the London Legacy Development Corporation including all junior positions?

Please find attached our departmental organisational charts for our current establishment as of March 2013.

The organisational charts give position within the London Legacy Development Corporation (LLDC) by job title only. The names of junior individuals within the LLDC have been withheld under section 40(2) of the Freedom of Information act as the information is considered personal data. The names of senior staff have not been added to the charts as, under section 21 of the Freedom of Information Act, they are considered to be already reasonably accessible.

Please note: you are not permitted to re-use the information for publishing or issuing copies to the public, you will require the permission of the copyright owner.

If you are unhappy with our response to your request and wish to make a complaint or request a review of our decision, you should write to:
