Dear 

Thank you for your request for information, received on 21 May 2014. You asked us the following question.

“Could I request a site map of east village highlighting all the zones.”

The London Legacy Development Corporation can confirm that we hold the information requested in our role as planning authority for the area in question. The design and construction of East Village was overseen by the Olympic Delivery Authority, not the Legacy Corporation.

A map of the east village site, highlighting the zones is available via our website on the Planning Decisions Committee page. It was Item 6 in the report presented to the Committee on 27 May 2014.
