Dear [REDACTED]

I have spoken to the Planning team – the Masterplans are made up of multiple documents which are part of the planning applications that [REDACTED] referred you to earlier.

In hardcopy these documents are extremely large and are only for reference, there are no spare hard copies available.

[REDACTED] has sent me two detailed maps for the Olympic Park Masterplan oversight plan. Due to the size, I've attached the first and the second will follow in a separate email.

Email 1 of 2.

Yours sincerely

Hi [REDACTED]

Thanks a lot for all of this information. I appreciate it. I am not sure that the document I am looking for is located within these planning applications, although the information in [11/90621/OUTODA](#) is useful (as it

contains info about housing plans for the Olympic Park). I was actually to get a hold of the Olympic Park Master Plan produced by design practice EDaw:

<http://www.building.co.uk/edaw-unveils-lea-valley-olympic-masterplan/1032060.article>

Is this is something which the LLDC has and which I would be allowed to access?

Many Thanks,

From: foi <foi@londonlegacy.co.uk>

To whoever this may concern,

My name is [REDACTED]. I am a [REDACTED] University College London. [REDACTED]

Consequently, I was wondering if I could gain access to the following plans to help support my PhD research:

Olympic Park Master Plan (2006)
Olympic Legacy Master Plan

Please let me know if I am able to gain access to this information.

Many Thanks,
