**INFORMATION REQUEST REFERENCE 14-050**

Dear 

Thank you for your information request, received on 28 November 2014. You asked us to provide the following information under the Freedom of Information Act 2000 (FOIA):

*“In light of the recent decision to move the Free School from the site at Rick Roberts Way/Stratford High Street to a site near the Olympic Stadium where housing was to have been situated, as stated in a report by Newham Council, how much housing will be lost or not built at that site on the Olympic Park?”*

The London Legacy Development Corporation did not author the report that you have referenced in your request and will not comment on the official reports of other organisations.

However in answer to your question, the Olympic Stadium site does not have planning consent for residential development. Therefore the relocation of the secondary school from Rick Roberts Way does not represent a loss of housing capacity.

If you are unhappy with our response to your request and wish to make a complaint or request a review of our decision, you should write to:

Executive Director of Finance and Corporate Services

Please note: complaints and requests for internal review received more than two months after the initial decision will not be handled.

If you are not content with the outcome of the internal review, you may appeal directly to the Information Commissioner at the address given below. You should do this within two months of our final decision. There is no charge for making an appeal.
