INFORMATION REQUEST REFERENCE 15-020

Dear [REDACTED]

I refer to your email dated 16 April 2015, in which you requested an internal review with regard to the information given by the London Legacy Development Corporation (Legacy Corporation) in relation to the response given to your Freedom of Information request reference 15-020 received on 25 March 2015.

The Internal Review Panel has conducted the review and has made the following recommendations.

The Internal Review Panel recommends that for this FOI request:

- i. The Legacy Corporation should provide [REDACTED] with the information that E20 Stadium LLP was dormant on 22 March 2013.
- ii. The Review Panel notes that the original response was given in the context that E20 Stadium LLP was holding Board meetings and was not considered dormant in terms of the responding officer's understanding of the definition of dormant. The Review Panel notes that this response was given without reference to the legal definition of 'dormant' in the context of an entity. The legal definition relates to a period of time during which the entity carried out no significant accounting transactions. The Review Panel notes that no significant accounting transactions took place in the period up to 31 March 2013.

The Internal Review Panel also recommends for future information requests:

1. Clarity should be sought where wording has a potential definition that may have a differing meaning to the Legacy Corporation responding officer to the legal definition.

If you are not content with the outcome of the internal review of the process, you may appeal directly to the Information Commissioner at the address given below. You should do this within two months of our final decision. There is no charge for making an appeal.
