**INFORMATION REQUEST REFERENCE 15-042**

Dear [REDACTED]

Thank you for your information request, received on 27 July 2015. You asked us to provide the following information under the Freedom of Information Act 2000 (FOIA):

- *“How much money has each Olympic venue made since it was opened to the public after the games?”*
- *Which is the highest earning attraction?*
- *Which is the lowest earning attraction?*
- *How much money has the Olympic park lost since the end of the games?*
- *How much money does the maintenance and general upkeep of the park cost?”*

The above request has been clarified as follows:

- *“How much money has each Olympic venue made since it was opened to the public after the games?”*
- *By turnover, which is the highest earning attraction?*
- *By turnover, which is the lowest earning attraction?*
- *Have the Olympic park’s attractions made a profit or loss?*
- *How much money does the maintenance and general upkeep of the park cost?”*

The Legacy Corporation’s response from the clarified requests:

The Legacy Corporation does not own all of the venues on Queen Elizabeth Olympic Park. The Lee Valley Regional Park Authority (LVRPA) owns the Lee Valley VeloPark and the Lee Valley Hockey and Tennis Centre. The Legacy Corporation does not hold LVRPA’s financial information and therefore cannot answer your requests for these venues. The LVRPA is not

legally covered by FOIA; however its Members have agreed to adopt the process. Details on how information requests can be submitted to LVRPA are available on their website.

The Legacy Corporation owns the Copper Box Arena (CBA) and the London Aquatics Centre (LAC), both of these venues are operated on behalf of the Legacy Corporation by Greenwich Leisure Limited (GLL).

The Legacy Corporation also owns the ArcelorMittalOrbit (AMO) and this attraction is managed on its behalf by Cofely GDF Suez.

The Legacy Corporation holds a 99-year lease over 3 Mills Studios from LVRPA; the studios are managed on the Legacy Corporation's behalf by Deloitte Real Estate.

The Legacy Corporation has a head lease from LVRPA for the Timber Lodge Cafe, which is operated on its behalf by the Camden Society.

All of the Legacy Corporation's statutory accounts from its establishment in April 2012 to 31 March 2015 are available via its website; these provide full details of its income and expenditure. The accounts include information relating to the venues; where any of these are operated on LLDC's behalf (e.g. LAC and CBA) then the figures will only represent LLDC's share of the income and expenditure relating to those venues.

E20 Stadium LLP, a joint venture between the Legacy Corporation and the London Borough of Newham (through its subsidiary Newham Investments Limited), is responsible for the Olympic Stadium, however the operation of the Stadium is managed on its behalf by LS185. Full details of its income and expenditure are available via E20 Stadium LLP's statutory accounts, which are publically available via Companies House. E20 Stadium LLP is subject to FOIA – information requests can be submitted via [E20Fol@londonlegacy.co.uk](mailto:E20Fol@londonlegacy.co.uk).

The estate and facilities management costs are published in the Legacy Corporation annual report and accounts.
