

SECTION 2 – LIST OF MATERIALS AND COMPONENTS

Material / Component	Product No./ Reference	Name of Supplier	Locations Used/Drawing Reference
Concrete	C35	London Concrete	RR 16 Foundation Plan & Structural Engineers specification pack revE
Drainage Materials	Gerberit	Build Base	Price and Myers 227 46-600
Steel Sections	Wind post, cross braces, floor straps and chandelier steel	REB Weilding	Structural Engineers specification pack revE
Insulation	Cellotex 75	Insulation Shop (on line)	All external elevations
External framing timber	C16	Build Base	All external elevations
Cladding	9mm Medite Tricoya	James Latham	All external elevations

Material / Component	Product No./ Reference	Name of Supplier	Locations Used/Drawing Reference
Rain Water gutter	Linlab 125 galvanised RWP's	Green Drainage Supplies	High and low level flat roofs
Roofing materials	Sarnifill	W! Roofing	High and low level flat roofs
Plywood for partitions Repairs to existing walls Studs for wall	18mm Spruce Ply Fireline Plasterboard Gypline 70mm metal stud drywall system	CCF Bow	Internal Walls
Plywood for Storage	18mm Birch Ply	T Brewers Clapham	RR_83 Storage Elevation
Plasterboard	12mm Fire Line	CCF Bow	All various internal Area
Doors	Flush paint grade internal and external doors	CCF Bow	RR_100 Door Schedule
Kitchen	Greenwich Range	Howdens Bow	RR_79 Kitchenette

Material / Component	Product No./ Reference	Name of Supplier	Locations Used/Drawing Reference
Sanitary for WC's	Twyford Range	Plumbase	RR_7778 WC's
Window Mechanisms	High Line Manual Window Opener	Rocburn Ltd	3 high levels single doors in double stacked event space
Ventilation	HRV1.25 Q+ HMB Humidity & Bypass	Titon Hardware Ltd	M&E Specification plan
Floor Grills	CVLDF – FLOOR GRILLE & DAMPER	Combi Vent	RR_59 proposed Air Vent
