INFORMATION REQUEST REFERENCE 16061

Dear 

Thank you for your information request, received on 29 June 2016. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

"I would like to request all information held, including emails, concerning the provision of camping facilities for participants in the Shell Eco Marathon 2016 event.

By way of background, it is my understanding that the organisers approached the LLDC to be allocated space for a temporary camp site near the event in the Olympic Park but this was refused."

The Legacy Corporation does not hold any information on a temporary camp site or camping facilities for the participants in the Shell Eco Marathon being provided on Queen Elizabeth Olympic Park (Park).

A search was undertaken across the email archive on the terms "shell eco camping". There were no results relating to a request by the organisers to provide camping facilities on the Park for this event or any reference to an intention to provide camping facilities on the Park for this event.

The Legacy Corporation events team recall a verbal conversation in relation to this but as the Park byelaws prohibit camping, camping facilities on the Park could not be provided.

If you are unhappy with our response to your request and wish to make a complaint or request a review of our decision, you should write to:
