INFORMATION REQUEST REFERENCE 15-082

Dear [REDACTED]

Thank you for your information request, received on 21 December 2015, with the response initially due on 21 January 2016.

You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA), following on from our response to your earlier request, reference 15-072:

- 1. I would be grateful therefore if you would provide a map of the plots held by all landowners and / leaseholders, including but not limited to the LLDC, within the area known as, but not legally defined as, Queen Elizabeth Olympic Park.*
- 2. I have to complain that the online map <http://queenelizabetholympicpark.co.uk/the-park/plan-your-visit/interactive-park-map> is not a map of the Park even though it claims to be as it includes all kinds of areas which are not part of the Park without attempting to identify what is in the Park and what is not. I believe it is therefore inaccurate in its claim to be a map of the Park.*
- 3. I would be grateful if you could therefore provide a list of all known landowners within the area known as / managed as (but not legally defined as) Queen Elizabeth Olympic Park. If you do not hold this information, please identify who you believe does hold this information and what additional information or references are needed in order to access it, and provide this reference information if it is held.*
- 4. regarding the issue of common land, the map of landownership you have provided would appear to include at least two areas of land which were common land, namely Arena Fields and Morris Field, which are marked in areas described as LLDC freeholds. As they are marked as LLDC freehold these must be areas the LLDC is responsible for. I would have thought you would be able to say if they were still common land or if not how this had been changed. The other area which was common land would seem to be under the control of the LVRPA. If I understand your response correctly then you seem to be saying that these two former areas of land are no longer common land as you said you could not provide information for land for which you were not responsible but you made no mention of these two pieces of land, which would seem to be in the LLDC zone of responsibility. Perhaps you could confirm whether these pieces of land are no longer considered to be common land*

and if when they ceased to be and why. What process was followed to remove their common land status?

The Legacy Corporation response follows your order.

1. *I would be grateful therefore if you would provide a map of the plots held by all landowners and / leaseholders, including but not limited to the LLDC, within the area known as, but not legally defined as, Queen Elizabeth Olympic Park.*

A map is attached in Annex A that provides landownership details in and around the Legacy Corporation area. Please note: this map is accurate as of November 2014.

2. *I have to complain that the online map <http://queenelizabetholympicpark.co.uk/the-park/plan-your-visit/interactive-park-map> is not a map of the Park even though it claims to be as it includes all kinds of areas which are not part of the Park without attempting to identify what is in the Park and what is not. I believe it is therefore inaccurate in its claim to be a map of the Park.*

We have passed your comment to the relevant team for a response, please let us know if you would like to formally register this as a complaint. Please note that this has not been treated as an information request.

3. *I would be grateful if you could therefore provide a list of all known landowners within the area known as / managed as (but not legally defined as) Queen Elizabeth Olympic Park. If you do not hold this information, please identify who you believe does hold this information and what additional information or references are needed in order to access it, and provide this reference information if it is held.*

Please see our response to question 1 above.

Any changes in status were undertaken pursuant to the powers granted in the London Olympic Games and Paralympic Games Act 2006.
