INFORMATION REQUEST REFERENCE 16079

Dear 

Thank you for your information request, received on 16 August 2016. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

“Please provide the environmental impact study relating to the building of the H14 and H16 bridges.”

The Legacy Corporation does not information in relation to your request. There is no specific Environmental Impact Assessment for the H14 and H16 bridges. There is the Legacy Communities Scheme EIA which deals with that development in its entirety (at outline stage), but does not split out the effects of the bridges. The planning application for the bridges will be reserved matters (i.e. details under the outline permission) and as long as they are within the parameters of the LCS then an EIA will not be produced. However, the detailed design will need to look at how the amenity of adjoining properties is protected. This is work that will be developed in the coming weeks as part of that detailed design process.

If you are unhappy with our response to your request and wish to make a complaint or request a review of our decision, you should write to:

Deputy Chief Executive
London Legacy Development Corporation
Level 10
1 Stratford Place
Montfichet Road
London
E20 1EJ

Please note: complaints and requests for internal review received more than two months after the initial response will not be handled.

If you are not content with the outcome of the internal review, you may appeal directly to the Information Commissioner at the address given below. You should do this within two months of our final decision. There is no charge for making an appeal.

Further information on the Freedom of Information Act 2000 is available from the Information Commissioner's Office:
