INFORMATION REQUEST REFERENCE 16090

Dear [REDACTED]

Thank you for your information request, received on 16 August 2016. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

“Please provide details of the % of original LLDC staff that have moved from or to any development organisation associated with the redevelopment in the area.”

The Legacy Corporation requested clarification for this request on 17 August as follows:

1. What is meant by original LLDC staff?
2. What is meant by development organisations?
3. What is meant by ‘moved from...’ Do they mean left and joined a new company or TUPE’d?
4. Confirm that Hackney Wick the ‘redevelopment area’.

Clarification was received on 19 August as follows:

1) Original LLDC staff refers to any member of staff at LLDC - i.e a full or part-time employee. Similarly please can you also include any consultant or contractor details that you have relating to the movement of staff between LLDC and Property Development organisations.

2) Development organisation is meant as: Any organisation involved in the building, development, construction, planning of any development in the area mentioned below. Development organisation examples are Balfour Beatty, Peabody, Sweetwater, etc. These are examples, and the request is not limited to these companies, it is simply for guidance.

3) Moved to refers to "left and joined a new company", "worked at both simultaneously", "TUPE'd" "was terminated", any way an employee, consultant or contractor could have left LLDC.

4) *The development area includes Hackney Wick and Fish Island.*

The Legacy Corporation can confirm that no employees have been TUPE'd to the development organisations. The last TUPE exercise undertaken by the Legacy Corporation was in 2012.

For the remaining requests, the Legacy Corporation does not hold this information. The Legacy Corporation does not maintain a record of the prior employers of staff or their future employers when they leave the organisation.
