INFORMATION REQUEST REFERENCE 16102

Dear Sir,

Thank you for your information request, received on 22 August 2016. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

“I would like the notes to your board meetings that deal with Vittoria Wharf.

With Clarification - I mean your board meetings that have minutes taken—you list them as on your website but they are not. I would like board meeting notes for all the meeting relevant to Vittoria Wharf.”

Minutes for the Legacy Corporation Board meetings are available at our website <http://queenelizabetholympicpark.co.uk/our-story/the-legacy-corporation/our-committees> from where you can access this landing page: <http://www.london.gov.uk/moderngovlldc/mgCommitteeDetails.aspx?ID=272>

From this page:

- you access the page with the recent meetings (from 19 May 2015 to current) here: <http://www.london.gov.uk/moderngovlldc/ieListMeetings.aspx?CommitteId=272>
- you can access the page with agenda, papers and minutes for meetings before May 2015 here: <http://queenelizabetholympicpark.co.uk/our-story/the-legacy-corporation/our-committees/board-meetings/archived-minutes>.

LLDC Board meetings are held in accordance the Local Government Act 1972. The agenda can include Part 1 (public) and Part 2 (private) items. The private section of the meetings are held in accordance with Section 100A(4) of the Act for items of business on the grounds that it would be likely to involve the disclosure of exempt information as defined in Part 1, Schedule 12A of the Act.

The minutes are published on the Legacy Corporation website and include summaries of discussions any decisions that were made in both Part 1 and Part 2 of the meeting.

We have reviewed the agenda items of the LLDC Board meetings and there were no items under the heading of Vittoria Wharf.

If you are unhappy with our response to your request and wish to make a complaint or request a review of our decision, you should write to:
