INFORMATION REQUEST REFERENCE 18-003

Dear 

Thank you for your information request, received on 11 January 2018. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

"I would like to request copies of all occupant demographic socio-economic survey reports received by the LLDC to date in accordance with s 8.6.1 of the Here East Lease."

The Legacy Corporation does not hold this information from Here East at this time. The Legacy Corporation initially expected to be provided with these reports from the end of Summer 2016, and annually from that point onwards. However, to date no demographic reports as specified by the lease have been received. The reasons for the deferral are provided below.

Here East has been going through a transformative change over the past 18 months. As they moved from a construction phase and moved into the lettings period in the second half of 2016, formally launching Here East in October 2016. It was decided that the initial letting period data from the two initial anchor tenants, Loughborough University London and BT Sport, would not have provided sufficient data for useful analysis and that this information would be more meaningful when provided by a wider sample.

Here East currently have 8 areas under internal fit-out or in the process of establishing their presence at Here East across both buildings. By June there will be over 3,000 people on site either studying or working, which will allow a meaningful survey size, and therefore Here East will be undertaking the demographic survey in Summer 2018.

If you are unhappy with our response to your request and wish to make a complaint or request a review of our decision, you should write to:
