INFORMATION REQUEST REFERENCE 18-037

Dear [REDACTED]

Thank you for your information request, received on 22 May 2018. Following on from our earlier Freedom of Information Act 2000 (FOIA) response reference 18-009, you asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information:

"In the attached response the Legacy Corporation said it expected to create 'approximately 600 homes' as part of the Cultural Quarter development. However, you did not say how many of these homes are expected to be 'affordable' or what the breakdown of such affordable housing might be. I would be grateful if you could provide me with your predictions for affordable housing on this site."

The London Legacy Development Corporation is working with the Mayor of London to deliver affordable housing with a target of 50% affordable housing across its remaining sites, including East Bank (formerly known as the Cultural and Education District). The amount of affordable housing and tenure mix at East Bank has yet to be determined and will form part of the planning application to be submitted towards the end of the year.

If you are unhappy with our response to your request and wish to make a complaint or request a review of our decision, you should write to:
