Dear 

Thank you for your information request, received on 24 July 2018. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Environmental Information Regulations 2004 (EIR):

"I would like to make the following request for information which I think is an EIR:

Please provide information regarding any works or expenditure in line with the planning permission granted at the site formerly to be occupied by the Manor Gardens Allotment Society at Eton Manor.

Please provide information regarding any works or expenditure at the site of the Manor Gardens Allotments moved to Marsh Lane Fields, now Jubilee Park, following the alteration of the planning permission to allow them to return to Eton Manor."

In relation to your requests, the Legacy Corporation does not hold the information you have requested. The planning permission mentioned above is in relation to planning application reference: *13/00444/FUL - Creation of informal new meadow open space as well as the creation of a gateway pedestrian entrance to Eton Manor (development to replace previously approved allotments at Eton Manor).*

The role of the Legacy Corporation was as Local Planning Authority only. The applicant was LB Waltham Forest (LBWF) and to that end the applicant LBWF is responsible for the carrying out of the works in relation to the planning permission and all the associated expenditure. The planning documentation in relation to this application are publicly available on our planning register under the above reference, however a direct link is provided here: [13/00444/FUL](https://www.londonlegacydevelopmentcorporation.com/planning-register/13/00444/FUL).
