Subject: MSG consultation

Hi Anthony,

I hope you are well.

I was wondering if you had time for a quick phone chat today or tomorrow re our approach to the MSG consultation.

I know we have a slot coming up at one of the planning meetings but I just wanted to quickly sound you out first.

In short, we are looking at taking a truck with a mobile exhibition around the LLDC boroughs to reach a wider community.

Let me know when best suits you.

Many thanks

Dear [REDACTED]

Thanks, I will check with the team tomorrow, but we can't host on the main entrance on 7th or 8th July as we have a major festival whose footprint and branding cover this area and as mentioned 14th and 15th July we have athletics where it is in their remit.

I am just checking what the site looks like between 9th and 13th July and will come back tomorrow.

Sorry, I must have misunderstood I thought you were looking at another hire later in the month.

Many thanks will come back tomorrow

Thanks Sara-Ellen,

Yes it is accessible and there is a ramp.

In terms of content, there will be a video which sets out the concept for the arena, images and some site plans.

I understand your point about activity on the Park but in terms of extending the time we have the truck for, this then gets very expensive to have it for August too.

I hope that helps.

Do let me know if it would be worth having a phone chat with you or a member of your team to discuss possible options.

Many thanks

Hi [REDACTED]

Indeed and we know from experience for professional stakeholder consultations August is best avoided but if you are looking for a local audience and people then school holidays are the most popular times on the park. Whilst we don't have the beach this year we would anticipate the summer still being our busiest time. I know a few of our corporate events try to happen before the private schools break up for summer but the local community the Park in summer is quite a popular amenity. Does that help?

Also a question that came from one of our team – what content is there and is it physically accessible, is there are a ramp as well as steps?

K regards

Dear Sara-Ellen,

We are currently looking at hiring the truck from 7-15 July.

I understand that schools in Newham break-up on 26 July and we wanted to run the consultation before this as people may then be away on holiday.

Happy to discuss further.

Dear ██████████

Just a quick holding email. Did you say you had some other dates in August.

Basically 9th July I am just checking if we are de-rigging anything in the main area after the Make the Future Festival.

13th – 15th July is Athletics World Cup and I am just checking but they usually animate the main route into stadium with sponsor activations – so not sure that is possible.

So my questions are:

- School holiday times? Are there any opportunities later in July August.

Subject: MSG exhibition tour w/c 9 July

Hi Sara-Ellen,

It was good to speak to you yesterday.

I said I would follow-up with an email regarding the possibility of hosting a mobile exhibition unit (a truck) in the LLDC area on/near the Olympic Park, to raise awareness and excitement about plans for a new Madison Square Garden arena in Stratford.

As you know, LCA is leading on the public consultation and community engagement to support the planning application and we are planning an exhibition 'tour' across all of the LLDC boroughs.

If possible we would therefore like to park the truck (please see indications of dimensions and some indicative pictures in the brochure attached) in a busy, bustling area, so as to engage with as many residents as possible, to let them know about our plans, answer their questions and also get their input into the proposals.

In terms of our programme, we are currently looking at starting at the Mayor's Festival in Newham on 7 & 8 July and then spending the day of 9 July in Stratford, subject to parking permits and licences required. We are then touring the other LLDC boroughs and hope to be back in Stratford, in or near the Olympic Park for the weekend of 13 to 15 July.

So the dates we are potentially looking at to be in or near the Park are as follows: 9 July and 13 to 15 July.

We can be flexible about where we park in the LLDC and Olympic Park areas, our aim is to engage with a large footfall, including local communities and residents.

As you are also aware, although we realise that there will be costs involved, we do have a limited budget but are committed to consulting as widely as possible.

If you have any questions then please do not hesitate to contact me.

I look forward to hearing from you.

Many thanks,

Best

Would it help if we pushed back our exhibition by one week? We could start w/c 16 July and book the Aquatics space for 19th and 20th of July (and possibly the 21st as well?)?

Not sure about the bridge, because we need to account for the truck dimensions (please see below), but I'm happy to take your lead on this if you think it's fine

Hi [REDACTED]

All good here. Hope the same with you.

No update yet as I'm still waiting to hear back on something.

We will already have a cabin outside the Aquatics Centre on the F10 until 19th July. I have identified another potential area on the F10 bridge however, but am finding out if it's possible to put two on at the same time due to weight restrictions. So that's where I am with this and will revert back as soon as I can. I'm off tomorrow so Thursday morning looking like the earliest.

... I haven't forgotten you and am seeing how we can make this work.

Thank you for your email and for taking this forward.

As ██████████ mentioned, we are quite flexible on dates that week, provided that we secure parking in the right area, so please do let us know if you have any luck in finding such spots. Ideally, we would set up the exhibition truck in a busy, bustling area, so as to engage with as many residents

Please do keep us informed of other events planned in the area and how/if we could feed in as well.

Thanks Sara-Ellen,

Yes it is accessible and there is a ramp.

In terms of content, there will be a video which sets out the concept for the arena, images and some site plans.

I understand your point about activity on the Park but in terms of extending the time we have the truck for, this then gets very expensive to have it for August too.

I hope that helps.

Do let me know if it would be worth having a phone chat with you or a member of your team to discuss possible options.

Many thanks

Hi [REDACTED]

Indeed and we know from experience for professional stakeholder consultations August is best avoided but if you are looking for a local audience and people then school holidays are the most popular times on the park. Whilst we don't have the beach this year we would anticipate the

summer still being our busiest time. I know a few of our corporate events try to happen before the private schools break up for summer but the local community the Park in summer is quote a popular amenity. Does that help?

Also a question that came from one of our team – what content is there and is it physically accessible, is there are a ramp as well as steps?

K regards

Dear Sara-Ellen,

We are currently looking at hiring the truck from 7-15 July.

I understand that schools in Newham break-up on 26 July and we wanted to run the consultation before this as people may then be away on holiday.

Happy to discuss further.

Many thanks

Dear [REDACTED]

Just a quick holding email. Did you say you had some other dates in August.

Basically 9th July I am just checking if we are de-rigging anything in the main area after the Make the Future Festival.

13th – 15th July is Athletics World Cup and I am just checking but they usually animate the main route into stadium with sponsor activations – so not sure that is possible.

So my questions are:

- School holiday times? Are there any opportunities later in July August.

Subject: MSG exhibition tour w/c 9 July

Hi Sara-Ellen,

It was good to speak to you yesterday.

I said I would follow-up with an email regarding the possibility of hosting a mobile exhibition unit (a truck) in the LLDC area on/near the Olympic Park, to raise awareness and excitement about plans for a new Madison Square Garden arena in Stratford.

As you know, LCA is leading on the public consultation and community engagement to support the planning application and we are planning an exhibition 'tour' across all of the LLDC boroughs.

If possible we would therefore like to park the truck (please see indications of dimensions and some indicative pictures in the brochure attached) in a busy, bustling area, so as to engage with as many residents as possible, to let them know about our plans, answer their questions and also get their input into the proposals.

In terms of our programme, we are currently looking at starting at the Mayor's Festival in Newham on 7 & 8 July and then spending the day of 9 July in Stratford, subject to parking permits and licences required. We are then touring the other LLDC boroughs and hope to be back in Stratford, in or near the Olympic Park for the weekend of 13 to 15 July.

So the dates we are potentially looking at to be in or near the Park are as follows: 9 July and 13 to 15 July.

We can be flexible about where we park in the LLDC and Olympic Park areas, our aim is to engage with a large footfall, including local communities and residents.

As you are also aware, although we realise that there will be costs involved, we do have a limited budget but are committed to consulting as widely as possible.

If you have any questions then please do not hesitate to contact me.

I look forward to hearing from you.

Many thanks,

Best

Good to see you both today.

Our park visitor magazine won't hit your deadline. However we have Park News which actually works better for you. 25,000 copies delivered to our residents door to door and put out in community centres etc. We don't do adverts but could get a mention in this quarters edition which goes to the printers at the end of the week and is distributed shortly after that. Your other option which could be explored is a flyer from you going in each newsletter which does have a cost but would get your message out to 25,000 pretty easily.

Lorna CC'd here can give you more advice.

Dear Rosanna,

As you know, the Madison Square Garden Company is undertaking public consultation to inform proposals to build a new, state-of-the-art live music and entertainment venue – MSG Sphere London – in Stratford.

From Saturday 7 July until Saturday 14 July, we will be displaying our proposals during a roadshow and across all the LLDC boroughs and some sites on the Olympic Park itself, and we hope that you will be able to join us at one of the locations.

We will be in the Olympic Park/LLDC area more specifically on 7, 9, 10 and 12 July (full details of timings and exhibition sites in the attached) and we would be delighted to welcome you on a guided visit to the exhibition vehicle and meet some of the members of the consultation team. If this is of interest, I'd be happy to liaise with your office on exact dates and times.

If you have any questions in the meantime please do not hesitate to get in touch.

Best wishes,

Dear Rosanna,

Re: Invitation to MSG Sphere London public exhibition

I am writing to let you know that The Madison Square Garden Company are undertaking public consultation to inform our proposals to build MSG Sphere London, a new, state-of-the-art live music and entertainment venue, in Stratford, and to invite you to meet to discuss our plans.

As you will be aware, we are excited by the chance to make London our first large-scale international venue and, if our plans are approved, MSG Sphere London will bring investment, jobs and some of the world's best acts to the area, adding to Stratford's vision as a world-class entertainment and cultural destination.

During the consultation we are looking forward to gathering feedback from members of the public, especially our new neighbours in Newham and the surrounding areas, so we will be displaying our proposals during a widely-publicised roadshow across a number of East London boroughs. I hope that we will be able to meet to in the near future to talk about the the proposal and will be in touch to discuss arrangements.

The exhibition vehicle will be parked in the following locations during the specified times:

Olympic Park - Unity Kitchen Timber Lodge Café, E20 1DY

- Saturday 7 July, 9am-6pm

Waltham Forest - NCP Car Park, Forest Road, E17 6JJ

- Sunday 8 July, 10am-3pm

Stratford Walk, E15 2DU

- Monday 9 July, 12pm-6pm

- Tuesday 10 July, 12pm-6pm

Tower Hamlets - Mile End Leisure Centre, E3 4HL

- Wednesday 11 July, 9am-6pm

Hackney - Here East Press Centre, E15 2GW

- Thursday 12 July, 12pm-6pm

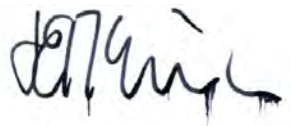

Stratford Outdoor Market – The Grove, E15 1NG

- Friday 13 July, 9am-9pm
- Saturday 14 July, 9am-6pm

If you have any questions in the meantime please contact london@msg.com or 0207 291 8640. For more information about the project, please visit www.msglondonconsultation.com.

We will actually have our mobile exhibition truck right next to your offices on Stratford Walk, so we could brief panel members there and walk them through the proposals and the images or we could come to you.

Subject: Consultation approach - MSG Sphere London

Dear Catherine, [REDACTED] and [REDACTED]

I wanted to share with you the summary of our consultation approach for MSG Sphere London, which I had agreed to send to [REDACTED]

I know [REDACTED] is away so I am also sending this email to Catherine and [REDACTED]

We are still agreeing final areas for the flyer to promote the mobile exhibition but as you can see, we are including the whole of the LLDC area and beyond, which equates to around 42,000 addresses and is a 1.5mile radius around the MSG site.

We are also doing further promotion and flyer drops when the truck visits the other LLDC boroughs, as well as advertising in council magazines and local papers, and via the consultation website.

We are also offering translated versions (see languages below taken from the guidance on your website) as well as braille and audio versions on request.

Languages recommended on the LLDC website: Albanian, Arabic, Gujarati, Polish, Portuguese, Punjabi, Bengali, Spanish, Turkish, Vietnamese, Chinese, French, Somali, and Urdu.

If you have any comments on the proposed consultation approach then please do let me know.

I also wanted to check whether it was still ok to present to the Park Panel on 9 July.
This would work quite well as the mobile exhibition truck will be at Stratford Walk from 12pm to 6pm that day.

We are also getting in touch with the Legacy Youth Voice, representing young people from the four LLDC boroughs – can you recommend who would be the best person to contact in the first instance?

If you have any questions then please do not hesitate to contact me.

Many thanks

Hi [REDACTED]

As you may be aware, the Madison Square Garden Company is undertaking public consultation to inform proposals to build a new, state-of-the-art live music and entertainment venue – MSG Sphere London – in Stratford.

From Saturday 7 July until Saturday 14 July, we will be displaying our proposals during a roadshow across a number of East London boroughs.

Please see attached further details of the consultation roadshow, and we hope that you will be able to join us at one of the locations or we could come to meet you at another time to discuss our proposals and hear your feedback.

If you have any questions in the meantime please do not hesitate to get in touch.

Best wishes,

**East London Dance and Urban Development secure £1 million
GLA Good Growth Fund to match £1 million funding from Arts Council England
to create UK's first National Talent House for Urban Culture in Stratford**

Dance development organisation and creative producer **East London Dance** and music talent development organisation, talent incubator and educator **Urban Development** announced today that they have secured a joint funding bid from the **Mayor of London's Greater London Authority (GLA) Good Growth Fund** for £1 million, to create the UK's first National Talent House for urban culture in Stratford, east London.

The GLA funding will match £1 million (£500,000 per organisation) already secured from the **Arts Council England Small Capital Grants programme** in 2017 and will enable the fit-out of a 1,000+ square metre historic warehouse and modern extension as part of the Sugar House Island Development (formerly Strand East) adjacent to the Queen Elizabeth Olympic Park that will be delivered by developers **Vastint UK**.

Inspired by the need to ensure that diverse and disadvantaged young people from east London benefit from the legacy of the 2012 Olympic and Paralympic Games, the centre will offer an aspirational space to unlock the potential of musicians, singer songwriters, composers, dancers, choreographers and producers and enable progression to further/higher education, employment and enterprise. It will also be an incubation hub with strong industry links for innovation in the creative industries, launching new projects, products and careers.

East London Dance and Urban Development are leading exponents of urban culture and drive the vital diversification of the dance and music sectors, through investment in nurturing and championing new authentic voices and providing platforms to gain recognition. Building on nearly two decades of collaboration, both organisations will share the building that will become

their new permanent home - enabling the growth and sustainability of their vital work engaging and developing diverse young **talent aged 14–30 years**.

Award-winning east London-based architectural practice, **Citizens Design Bureau** has designed an interior which combines high performance recording suites and dance studios with spaces for collaborative working, creative conversation and performance; encouraging cross-fertilisation of talent and ideas between both organisations. Building works for the structure are underway and the internal works will commence later this year; estimated to finish in Spring 2019.

Polly Risbridger, Director, East London Dance said: “As East London Dance celebrates its 30th anniversary in 2018, we are overjoyed at the support and commitment the Mayor of London and Arts Council England have offered in helping us realise our ambitions for the next 30 years. This building will not only provide a new home for East London Dance and Urban Development but will be an authentic space that listens and responds to artists, young people and the local community. It will spearhead the creation of a vibrant new creative hub at Sugar House Island and create a home and meeting point for the urban arts community.”

Pamela McCormick, Director, Urban Development said: “We are proud to team up with East London Dance for this, our biggest undertaking yet, that will be the catalyst for the emergence of a new creative community in the area. Our programme will complement and support a well-developed programme, building on our collective strong local community roots, the new neighbourhood at Sugar House Island and the creative industries. The new building will make us fit-for-purpose, it will allow accessibility to talent, it will encourage diversity and connect London’s sub-cultures to new audiences, markets and opportunities. We would like to give our wholehearted thanks to the Mayor of London, GLA and Arts Council England for allowing us to realise our vision.”

Jules Pipe, Deputy Mayor for Planning, Regeneration and Skills, GLA said: “The Mayor and I are determined to use the Good Growth Fund to challenge preconceptions about how regeneration takes place. This project is a great example of how we can work with local communities and organisations such as Urban Development and East London Dance on projects in a way that will help ensure the benefits are felt by all.”

Joyce Wilson, Area Director, London, Arts Council England said: “I’m really excited about this partnership and what it means for talented urban culture artists. Talent need the opportunity to thrive and this development will be an important step in making that happen for so many people; one that we’re proud to make possible through our Small Capital Grants programme.”

Andrew Cobden, Managing Director, Vastint UK said: “Vastint is creating a new hub for the creative industries at Sugar House Island, a scheme that will bring over 2,500 new jobs in the area. We are delighted that this confirmation of funding will now enable us to conclude negotiations with two great organisations which are rooted in the local community. Both do so much for the young people of east London and will be fantastic assets at Sugar House Island. We hope they will be the first occupiers of Dane’s Yard, a collection of 8 buildings designed for, and dedicated to the creative industries.”

Overview

Park Panel is an important and valued strategic forum for the London Legacy Development Corporation, providing a voice out into the local community and a route into LLDC for local communities.

Park Panel is a two-way discussion forum with local residents, workers, students and the wider local communities as part of our approach to ensure that the Park is a success, implement an inclusive approach to long term place shaping, leading to the creation of a successful and thriving place and communities.

Purpose of the Panel

The Panel has three main roles:

- **Information sharing** (into the local community through their networks)
- **Providing Feedback** (acting as a sounding board and critical friend)
- **Collaboration** (whether joint projects or co-design)

The Panel works with the Legacy Corporation to help achieve its mission and strategic outcomes through:

- **Promoting good communication** between the Legacy Corporation, its partners and local groups, with members acting as local ambassadors.
- Acting as a **sounding board and information sharing channel** for overall Park management including events and programming activity.
- Providing a **link to the local communities** and sharing information on their issues, needs and opportunities.
- **Setting priority areas of focus for the Panel** in response to the strategic outcomes as outlined in the five year strategy.
- Forming smaller **workgroups**, as and when required, to provide input and advice on specific areas.
- Making **community involvement a key part of the Park** and Legacy Corporation's operations to ensure local ownership and sustainability.
- **Supporting the achievement of Green Flag status for the Park.**

Park Panel meets 6 times per year, on the second Monday of May, July, September, November, January and March.

The meetings will take place at LLDC Offices, 1 Stratford Place, E20 1EJ.

Panel Members

- The Panel is comprised of local organisations that want the Park to thrive as a community facility and local resource, as well as a world class international visitor destination.
- The Park Panel has 15-20 members from a range of local organisations and groups.
- Membership is by invitation and based on being a local:
 - Residents organisation/group
 - Business/cultural network
 - Special interest group
 - Youth/education

- Organisation/groups are based within either the Park, the LLDC area or within a mile of the Park.

I think it would make sense to attend on Monday as we will have just started the first consultation.

We will actually have our mobile exhibition truck right next to your offices on Stratford Walk, so we could brief panel members there and walk them through the proposals and the images or we could come to you.

Dear Catherine, [redacted] and [redacted]

I wanted to share with you the summary of our consultation approach for MSG Sphere London, which I had agreed to send to [redacted]

I know [redacted] is away so I am also sending this email to Catherine and [redacted]

We are still agreeing final areas for the flyer to promote the mobile exhibition but as you can see, we are including the whole of the LLDC area and beyond, which equates to around 42,000 addresses and is a 1.5mile radius around the MSG site.

We are also doing further promotion and flyer drops when the truck visits the other LLDC boroughs, as well as advertising in council magazines and local papers, and via the consultation website.

We are also offering translated versions (see languages below taken from the guidance on your website) as well as braille and audio versions on request.

Languages recommended on the LLDC website: Albanian, Arabic, Gujarati, Polish, Portuguese, Punjabi, Bengali, Spanish, Turkish, Vietnamese, Chinese, French, Somali, and Urdu.

If you have any comments on the proposed consultation approach then please do let me know.

I also wanted to check whether it was still ok to present to the Park Panel on 9 July. This would work quite well as the mobile exhibition truck will be at Stratford Walk from 12pm to 6pm that day.

We are also getting in touch with the Legacy Youth Voice, representing young people from the four LLDC boroughs – can you recommend who would be the best person to contact in the first instance?

If you have any questions then please do not hesitate to contact me.

Many thanks

Subject: Consultation approach - MSG Sphere London

Dear Catherine, [REDACTED] and [REDACTED]

I wanted to share with you the summary of our consultation approach for MSG Sphere London, which I had agreed to send to [REDACTED]

I know [REDACTED] is away so I am also sending this email to Catherine and [REDACTED]

We are still agreeing final areas for the flyer to promote the mobile exhibition but as you can see, we are including the whole of the LLDC area and beyond, which equates to around 42,000 addresses and is a 1.5mile radius around the MSG site.

We are also doing further promotion and flyer drops when the truck visits the other LLDC boroughs, as well as advertising in council magazines and local papers, and via the consultation website.

We are also offering translated versions (see languages below taken from the guidance on your website) as well as braille and audio versions on request.

Languages recommended on the LLDC website: Albanian, Arabic, Gujarati, Polish, Portuguese, Punjabi, Bengali, Spanish, Turkish, Vietnamese, Chinese, French, Somali, and Urdu.

If you have any comments on the proposed consultation approach then please do let me know.

I also wanted to check whether it was still ok to present to the Park Panel on 9 July. This would work quite well as the mobile exhibition truck will be at Stratford Walk from 12pm to 6pm that day.

We are also getting in touch with the Legacy Youth Voice, representing young people from the four LLDC boroughs – can you recommend who would be the best person to contact in the first instance?

If you have any questions then please do not hesitate to contact me.

Many thanks

1. Introductions

- 1.1. MC opened the meeting and there was a round of introductions.
- 1.2. MC then handed over to [REDACTED] SVP Development & Construction Madison Square Garden Company.

2. Madison Square Garden (MSG) Sphere London

- 2.1. [REDACTED] provided a short overview of who Madison Square Garden (MSG) is including:
 - 2.1.1. Details of their portfolio of venues across the United States.
 - 2.1.2. This is their first project outside of the US.
 - 2.1.3. The aim is to bring live entertainment into the 21st Century by combining entertainment with technology to create a new experience for the audience.
 - 2.1.4. The first sphere will be in Las Vegas.
 - 2.1.5. The design team is led by Populous who designed the London Stadium, the O2 and the Emirates.
- 2.2. [REDACTED] then handed over to [REDACTED] from DP9 who took the panel through the proposals this included a view of the site from the LLDC's offices. Key points included:
 - 2.2.1. The site is land locked primarily by railway lines and a key priority is to get connectivity into the site.
 - 2.2.2. The proposals include the creation of a podium level coming in from Angel Lane and then a number of new bridges and access points.
 - 2.2.3. The site is designated for development within the LLDC Local Plan and can support uses suitable for a metropolitan town centre.
 - 2.2.4. There will be new public realm.
 - 2.2.5. In seating mode the sphere will have a capacity of 18,000, both seating and standing it will have a capacity of 21,000.
 - 2.2.6. The structure will be spherical in nature and will be a LED structure both externally and internally.
 - 2.2.7. Will be able to control both internally and externally the content and brightness of the LEDs.
 - 2.2.8. The external façade can also show internal content.
 - 2.2.9. This technology allows the building to become the show and reduces the need for the promoter to bring in lots of lighting rigs.
 - 2.2.10. The screen is about 3.8 acres.
 - 2.2.11. Looking at using sound beam technology to enhance the experience.
- 2.3. [REDACTED]
- 2.4. [REDACTED]
- 2.5. [REDACTED] then provided an overview of the consultation activity currently being undertaken from the mobile truck.
- 2.6. [REDACTED] - explained that there is a number of ways to provide feedback and that they will be back out in September.

- 2.7. [REDACTED] - asked the panel to encourage people to come along and see the truck and provide their feedback.
- 2.8. The team then showed a short video on the proposals.
- 2.9. [REDACTED] - responded that the proposals are really exciting and asked if the video was on Youtube or anything.
- 2.10. [REDACTED] responded that the video wasn't online yet but it is in the truck and to encourage people to come along.
- 2.11. [REDACTED] - asked if the materials were online.
- 2.12. [REDACTED] - stated that the materials will be online shortly.
- 2.13. [REDACTED] - asked if the team had spoken to Stratford Circus and Theatre Royal.
- 2.14. [REDACTED] - responded that they had been in touch and early discussions had included different ways to link up.
- 2.15. [REDACTED] - added that they were happy to talk to different groups.
- 2.16. [REDACTED] - [REDACTED]
- 2.17. [REDACTED] - [REDACTED]
- 2.18. [REDACTED] - [REDACTED]
- 2.19. [REDACTED] - asked if an impact assessment was being undertaken in relation to the impact on Stratford Station as it is currently struggling now.
- 2.20. [REDACTED] - acknowledged that concerns around capacity at Stratford Station have been repeatedly raised by different stakeholders and it is likely that attendees would arrive in a trickle way rather than all at once and the team have been looking at different ways to disperse the crowd after an event.
- 2.21. [REDACTED] - reiterated his concerns about the station.
- 2.22. MC- added that there is the Stratford Overview Group who are looking at improvements to station. Stratford Station is the 3rd or 4th busiest station in London. The group are looking at a number of new entrances. As part of the planning process MSG will need to demonstrate how they are supporting the station.
- 2.23. [REDACTED] - reiterated that they are fully aware of the issue.
- 2.24. [REDACTED] - asked where people will park.
- 2.25. [REDACTED] - stated that they will be promoting public transport modes.
- 2.26. MC- added would expect a requirement of the S106 to be for MSG to monitor the modal split of attendees.
- 2.27. [REDACTED] - asked if the proposals had been tried anywhere else.
- 2.28. [REDACTED] - that a high level search for sites was undertaken which resulted in them purchasing this site.
- 2.29. [REDACTED] - furthermore questioned if detailed drawings existed.
- 2.30. [REDACTED] - confirmed that drawings were being produced and would be available in September and for the planning application.
- 2.31. [REDACTED] - asked if there would be Newham resident discounts.
- 2.32. [REDACTED] - responded that they would need to take this away to consider.
- 2.33. [REDACTED] - asked if this could be considered as part of the S106 agreement.
- 2.34. [REDACTED] - stated that a S106 is used to mitigate against the impact of the development locally and those impacts are still being assessed.
- 2.35. [REDACTED] - closed that they welcome the comments made and would look to address the points raised.

2.36. <https://london.msg.com/>

3. Park Significance

- 3.1. [REDACTED] provided an overview presentation of the work currently being undertaken on Park Significance. This included the following:
- 3.1.1. Understanding what is special about the Park.
 - 3.1.2. Considering the design vision for the different areas of the Park.
 - 3.1.3. Testing what makes the Park special.
 - 3.1.4. Presentation attached- **ACTION**
- 3.2. Members then did an interactive activity to:
- 3.2.1. Indicate on the Park map the things that are special to them in the Park.
 - 3.2.2. Indicate on the map the things that they feel are threats or are under threat.
 - 3.2.3. Indicate on the map the things that they feel could change over time.
- 3.3. [REDACTED] - then invited the group to join a Park walk about to investigate the areas in more detail and if couldn't join the walkabout then a questionnaire is being prepare that people can complete.
- 3.4. An ask was made for an additional Park Panel walk. -**ACTION**

4. Actions previous meeting

4.1. Summary of the actions from May's meeting:

Hi [REDACTED]

I think we would like to do this.

I also attach a copy of the promotional flyer for the exhibition truck in case you want to pass it on to the Panel members. I did also give them all hard copies at the meeting.

We are back in Stratford tomorrow and Saturday at the Stratford Outdoor Market. The details are attached but the times are as follows:

- Friday 13 July – 9am - 9pm - Stratford Outdoor Market, The Grove
- Saturday 14 July – 9am – 6pm - Stratford Outdoor Market, The Grove.

Many thanks

Subject: Your Neighbourhood Talks-invite

Hi █

As I briefly mentioned last night in September we will be hosting our next Your Neighbourhood Talks. Your Neighbourhood Talks is a six monthly event open to all local residents and businesses hosted in a Park venue or facility. The next event is on 20th September from 6pm in the Upper Welcome Zone of the London Aquatics Centre.

The format is 'marketplace' so a range of different stakeholder are invited to have a stall acting as a bit of one stop shop for local residents in terms of accessing different stakeholders working in the area etc. More details are provided in the attached.

If the timings work with your September activity it would be great to have you there.

Best,

█

If this is not possible, we can still go with the 15th.

Also, would you be able to pay for the refreshments, we usually feed them pizza.

Give me a call if you wish to discuss.

For some reason I never did get an email from you following our phone call a couple of weeks ago, but ██████████ informed me that you had emailed me. I would be really keen for you to meet with our Legacy Youth Voice group on Saturday 28th July from 1pm, this is when the group are next meeting and are likely not to be meeting again until September so this would be a good time to meet them? Let me know if this works for you and team. The session would likely get around 20 – 30 young people aged 14 -18.

Would be good to catch up with you in more detail on this and to introduce you to the person who runs this group.

Hi [redacted]

As I briefly mentioned last night in September we will be hosting our next Your Neighbourhood Talks. Your Neighbourhood Talks is a six monthly event open to all local residents and businesses hosted in a Park venue or facility. The next event is on 20th September from 6pm in the Upper Welcome Zone of the London Aquatics Centre.

The format is 'marketplace' so a range of different stakeholder are invited to have a stall acting as a bit of one stop shop for local residents in terms of accessing different stakeholders working in the area etc. More details are provided in the attached.

If the timings work with your September activity it would be great to have you there.

Best,

Subject: Invitation to second MSG Sphere London public exhibition

Hi [REDACTED]

The below email and attached invitation are for the attention of the LLDC Planning Committee members.

I have been advised that you would be the best person to contact in order to have this forwarded on our behalf.

If that is not the case, I would be grateful if you could advise me of an alternative route of contact.

Many thanks,

Dear Sir/Madam,

Re: Invitation to MSG Sphere London second public exhibition

The Madison Square Garden Company is returning for a second public consultation on our proposals to build a new, state-of-the-art live music and entertainment venue – MSG Sphere London – in Stratford. I am writing to invite you to join us to view our updated plans and share your feedback.

The site where we are proposing to build MSG Sphere London is currently vacant, unused land, last used as a temporary coach park during the 2012 Olympics. It is bordered by railway lines and is presently only accessible from Angel Lane. Please see the map on the enclosed leaflet for more details.

If our plans are approved, MSG Sphere London will bring investment, jobs and some of the world's best acts to the area, adding to Stratford's reputation as a world-class entertainment and cultural destination.

The initial public consultation was very well attended and we are grateful to everyone who came or submitted comments. Over the course of eight days, the project team welcomed almost 1,500 visitors to our mobile exhibition vehicle and over 600 people viewed the proposals on our website.

We are now returning for a second consultation to share the feedback we received and update you on how the plans have progressed. This exhibition is an opportunity for you to share your comments on our proposals before we submit a planning application, and we hope you will be able to join us.

We will be hosting our second public exhibition at **Westfield Stratford City, Level 1 next to the World Food Court, Montfichet Road, London, E20 1EJ** on:

- Saturday 29 September, 10am-6pm
- Monday 1 October, 10am-9pm
- Tuesday 2 October, 10am-6pm
- Wednesday 3 October, 10am-9pm
- Thursday 4 October, 10am-9pm
- Friday 5 October, 10am-6pm
- Saturday 6 October, 10am-6pm

If you would like to find out more about our plans but are unable to attend one of the events, please email us at consultation@msg.com, call us on 0800 307 7994 (freephone) or visit our consultation website at www.msglondonconsultation.com.

We hope to see you at our exhibition.

Yours sincerely,

SECOND PUBLIC CONSULTATION FOR MSG SPHERE LONDON

Come and see our updated plans for a new live music and entertainment venue in London.

The Madison Square Garden Company (MSG) wants to hear your views about its plans to build MSG Sphere London – a state-of-the-art music and entertainment venue – in Stratford.

Following an initial exhibition roadshow in July, which was attended by nearly 1,500 people, MSG is back with a second public exhibition, this time at Westfield Stratford City, to share the feedback we received and give you an opportunity to view the updated plans for MSG Sphere London.

If approved, MSG Sphere London will bring investment, jobs and some of the world's best acts to the area, adding to Stratford's reputation as a world-class entertainment and cultural destination.

This document is available in other languages, in large print and audio format. To request one of these email: consultation@msg.com.

See overleaf for exhibition times and location.

THE MADISON SQUARE GARDEN COMPANY

MSG SPHERE LONDON

The exhibition is another opportunity for you to find out more about what MSG has planned for this new venue and share your comments before we finalise our proposals and submit our planning application.

Hi [REDACTED]

Apologies for the delay in getting back to you. I go away from the 1st – 15th October so just wanted to make sure everyone was ok to run the session during this time.

I can confirm that colleagues are available on the evening of the 10th to support with the session.

I will do a follow up email copying them in.

Thank you

Hi [REDACTED]

Thanks for getting back to us. We are just in the process of preparing the materials for our second public exhibition and we think the session would be most beneficial once these are finalised.

With that in mind, it would probably be best to host the session once the second public exhibition has started, as the materials will continue to be amended up to the opening date. I apologise for the back and forth on this.

Our project team will be staffing the exhibition on 3 October, so the best date could be the 10th?

Let me know what you think. Thanks

It would be great to have a session, the 19th September from 6 – 7.30pm would work really well for the group, does this work for your team?

Hi █████

Very sorry for the delay in responding. Is it still possible to meet, either 19 September or 26 September? I will still need to confirm with other project team members but wanted to first make sure the group would be available.

Alternatively, we could host the group for a viewing of the second consultation on Wednesday 3 October. We will be hosting the consultation in a unit in Westfield Stratford from 10:00-21:00.

Many thanks and apologies again for the delay.

Would you like to suggest some dates in September and I will check availability with the team.

I wonder if we can have a chat about this?

Communication is yet to go out to the young people about the session and I am now worried that we may struggle to get a large group along next week.

Is this process time critical? If not can we arrange a session for the early part of September, to allow more time and for those who are away on holiday to be back.

It is such an exciting project that I am sure we will get a group along but just to ensure good numbers maybe pushing it back would work best, if this works for your team?

If this is not possible, we can still go with the 15th.

Hi [REDACTED]

I hope you are doing well and that you had a good weekend.

I spoke to members of the Legacy Youth Voice at our session on Saturday, about the workshop with MSG, and they are very excited to hear more about the project.

Once the date is confirmed it would be great if we could have a chat to talk over the details of the session.

It is very nice to cross paths with LCA again having worked with [REDACTED] and other colleagues on a project in Peckham - please do pass on my regards to them

V best wishes

Hi

No problem we can go for the 10th - just to check is that a confirmed date from your side, so I can now tell the LYV?

In terms of timing I would say from 6pm-8pm if that worked for you

Good to speak yesterday. I've done some chasing and we would like to stick with the 10th of October as it is when most people are available. Is there anything else you need from us at this point? I did have an additional question from yesterday – what time do the meetings usually start and how long do they last?

Thanks

Hi [REDACTED]

I have been speaking to [REDACTED] about meeting with the Park Panel again re MSG Sphere London, as we said we would come back to them re some of the questions they raised last time.

I understand that the next meeting is in November and I know the agenda is already quite full but wanted to discuss whether it would be possible to find a slot.

I also attach the flyer for the second exhibition in case you would like to forward it to the Park Panel members.

Many thanks
