INFORMATION REQUEST REFERENCE 18-079

Dear 

Thank you for your information request, received on 9 November 2018. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA) / Environmental Information Regulations 2004 (EIR):

"I would like to know the current planning use of all floors of Oslo House east wing, 15 prince edward road, and its sister building Oslo House west wing, 20 felstead street."

I can confirm that Oslo House, East Wing and West Wing are both within the Legacy Corporation planning area, however, we do not have any planning records in relation to either wing of Oslo House on our [planning system](#).

The planning history in relation to this property is still held by the London Borough of Hackney through pre-2012 land use records and also their planning register which would include any determinations of applications for lawful existing uses or proposed lawful uses of the property. The Legacy Corporation do not have the relevant planning powers for the latter types of applications.

If you are unhappy with our response to your request and wish to make a complaint or request an internal review of our decision, you should write to:

Deputy Chief Executive
London Legacy Development Corporation
Level 10, 1 Stratford Place
Montfichet Road
London, E20 1EJ

Email: FOI@londonlegacy.co.uk

Please note: complaints and requests for internal review received more than two months after the initial response will not be handled.

If you are not content with the outcome of the internal review, you may appeal directly to the Information Commissioner at the address given below. You should do this within two months of our final decision. There is no charge for making an appeal.

Further information on the Freedom of Information Act 2000 is available from the Information Commissioner's Office:
