Hi Sarah,

I just wanted to make sure you had received the email below, and that you have everything you need ?

Many Thanks

Tughela

Dear Sarah,

Further to our telephone conversation on thursday 12.09.2016, please find attached the revised drawings.

I am sending you a complete set, so that you can discard the original drawings sent. The adjustments are very minor and include an additional door to the south facing elevation, swell as a bit more notational detail.

Many Thanks

Tughela
