INFORMATION REQUEST REFERENCE 19-002

Dear 

Thank you for your information request, received on 15 January 2019. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

"I am writing to request a list of all subcontractors, suppliers and consultants & telephone numbers involved in the substructure works on Stratford Waterfront at Queen Elizabeth Olympic Park including ground works, piling, ground slabs, beams, walls, concrete works and other civil works, substructure waterproofing, substructure permanent utilities and drainage works, service connection, temporary utilities, drainage works and substation works."

The Legacy Corporation does not hold the information you have requested. There is no business requirement for the Legacy Corporation to hold a list of all contractors, subcontractors and suppliers involved with all the functions you have requested.

I can confirm that PJ Careys have been appointed as the Substructure Contractor on 30 November 2018 (executed on 11 December 2018 after the mandatory standstill period), however the Legacy Corporation does not hold any information on who they will be appointing as their consultants. The Legacy Corporation has not awarded any subcontracts.

If you are unhappy with our response to your request and wish to make a complaint or request an internal review of our decision, you should write to:
