**INFORMATION REQUEST REFERENCE 19-069**

Dear [REDACTED]

Thank you for your information request, received on 8 November 2019. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

*“As taken from the E20 Board meeting minutes from the meeting held on 25th May 2017 (in relation to community benefits):*

*“It was agreed this should be monitored by the Board and therefore a regular report should be presented to the Board on all community benefits, including LS185's, UKA's and WHU's compliance in this regard”*

*Please can I be provided with copies of the reports produced in 2017, 2018 and 2019 (to date of raising of this FOI request, 08/11/2019) that relate to E20 or LLDC tracking the compliance of LS185's, UK Athletics and West Ham United Football Club with regards to community benefits that are stipulated in any concessionary or operator agreement that has been entered into by any of LS185's, UK Athletics and West Ham United Football Club with LLDC/E20?”*

I can confirm that the Legacy Corporation holds information relevant to your request. Please be advised that reports on community benefits were presented to the E20 Board as part of the E20 Director's Update report until March 2019. After this date, the Community Benefits reports were then presented to the E20 Board as part of the Stadium Management Report. The relevant sections of all the relevant reports have been extracted and are attached in **Annex A**.

Please note: the E20 Board meeting frequency changed in 2017 to weekly and the majority of these meetings focused on urgent decisions, financial matters and approving payments rather than updates.
