Thank you for your information request, received on 26 November 2019. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

"I am writing to you under the Freedom of Information Act 2000 to request the following information from your Planning Department, regarding your current (5-year) housing land supply position.

1) a copy of your current 'five-year housing land supply' position statement. If you cannot provide a current housing land supply position statement, please provide the most recent document illustrating your district's housing land supply position.

Please provide the information in the form of the document including this information or a hyperlink to your website where the document can be found."

I can confirm that the Legacy Corporation holds information relevant to your request.

The Legacy Corporation sets out monitoring figures for each year within its Planning Authority Monitoring Reports which can be found on its website using the following link: <https://www.queenelizabetholympicpark.co.uk/planning-authority/planning-policy/brownfield-land-register>.

As set out in the table below, over the previous 5-year period the Legacy Corporation has cumulatively exceeded the adopted annual housing target (1,471), including the requirement for a 5% buffer as set out at para. 73 of the National Planning Policy Framework (NPPF).
