INFORMATION REQUEST REFERENCE 22-006

Thank you for your information request, received on 23 March 2022. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

“Following on from the FOI response 21-028: Please can you provide me with any update on this project, and the status of your discussions with Bellway?”

Following on from our response reference 21-028, no agreement has been reached with Bellway on the use of £260,000 of the relevant S106 contribution. Consequently, at its 2nd September 2021 meeting the Project Proposals Group was asked to consider an amended funding recommendation which would allow the use of £260,000 of Community Infrastructure Levy funds in place of this should no agreement be reached with Bellway. The project is current being progressed on the basis that it will be the CIL money that is utilised for project delivery. Gateway 1: Feasibility Study has been approved and Gateway 2: Detailed Design is underway.

If you are unhappy with our response to your request and wish to make a request for an internal review of our response, you should write to:
