**INFORMATION REQUEST REFERENCE 22-044**

Thank you for your information request, received on 29 December 2022. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

*"...about the engagement of ethnic minorities in the Queen Elizabeth Olympic Park.*

*I would be really grateful if you could share the data, or anything related to my dissertation topic with me:*

- 1. The statistics on the migrants (ethnic minorities) in the QEOP (e.g., the percentage of each group).*
- 2. The engagement/integration of the migrants' groups in the park through various activities (e.g., sports, urban farming, conservation, etc).*

*I noticed that there is a Park Champions programme that covers the role of conservation and gardening. Could I ask whether you have the data about the proportion of different ethnic minorities of volunteers? Or is there any other conservation society in the park?*

*And are there any ethnic minorities' groups in the park that I can directly contact?"*

The requestor was contacted on 9 January 2023 and asked to clarify if the request was for information in relation to migrants or for information in relation to ethnic minorities as these terms are different and are not interchangeable. Confirmation was received on 9 January 2023 that the request was for information related to migrants.

Following the clarification that all references in the request actually refer to migrants and not ethnic minorities, the Legacy Corporation is refusing this request under FOIA section 17(1) on the basis that it does not hold the information requested. The Legacy Corporation does not hold any information about migrants or immigration status in relation to Queen Elizabeth Olympic Park.
