INFORMATION REQUEST REFERENCE 23-026

Thank you for your information request, received on 29 August 2023. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA) / Environmental Information Regulations 2004 (EIR):

“Under FOI/EIR please provide any information held regarding whether any waste from the Olympic site in Stratford was transported to Arnolds Field, in Launders Lane, Rainham Essex.

If so please provide as much information as possible.

This could include:

- *What type of material was taken there (including the amounts of each type of material and any specific details rather than general terms)*
- *Where it was from in Stratford*
- *How much material*
- *Between what dates*
- *What company or organisation was responsible for this.”*

The Legacy Corporation is refusing this request under FOIA section 17(1) on the basis that it does not hold the information requested.

The Legacy Corporation fileservers were searched using the terms Arnold and Launder and no records relevant to your request were identified.

It is possible that the information requested was held by the Olympic Delivery Authority (ODA). When the ODA was dissolved as an organisation in March 2014 their information would have been transferred to the Department for Culture, Media and Sport (DCMS).

Information on how to submit a Freedom of Information request to DCMS is on their website: [Department for Culture, Media and Sport](#).

If you are unhappy with our response to your request and wish to make a request for an internal review of our response, you should write to:

Please note: requests for internal reviews received more than forty working days after the initial response will not be handled.

If you are not content with the outcome of the internal review, you may appeal directly to the Information Commissioner at the address given below. You should do this within two months of our final decision. There is no charge for making an appeal.
