All planning fees are statutory, set by HM Government and are calculated by the Planning Portal when an application is submitted. You can find a fee calculator via the Planning Portal page here: <https://www.planningportal.co.uk/planning/planning-applications/how-to-apply/what-it-costs>

In relation to the last aspect of your request: *"If no EOT/PPA is agreed then please confirm the applicant is eligible for a refund of the fee paid."* Please be advised that an EOT is primarily for the internal reporting and statistics of a planning authority. A determination date and/or EOT does not dictate whether the applicant is eligible for a refund.

Please note: In some instances of internal reporting EOT may be referred to as a Planning Performance Agreement (PPA), however, for the purpose of your request, where relevant, these are an EOT.

If you are unhappy with our response to your request and wish to make a request for an internal review of our response, you should write to:
