INFORMATION REQUEST REFERENCE 25-011

Thank you for your information request, received on 13 February 2025. You asked the London Legacy Development Corporation (LLDC) to provide the following information under the Freedom of Information Act 2000 (FOIA):

"I would like to make another FOI Act request please. I would like to request data held on the following:

- 1. In the last 10 years how many employment cases involving claims of discrimination have your organisation received from either current or former employees?*
- 2. Of this number how many were:*
 - A. Settled without recourse to a employment tribunal in the last 10 years.*
 - B. How many employment cases have your organisation lost involving allegations of discrimination at an employment tribunal in the last 10 years.*
- 3. How many employment cases have your organisation received in the last 10 years relating to allegations of disability discrimination? How many of these cases did your organisation lose at an employment tribunal, or settle without recourse to an employment tribunal hearing. Please provide a breakdown.*

LLDC does not hold information which falls within the scope of your request. In the last 10 years there have been no employment cases involving claims of discrimination. As there have been no employment cases involving claims of discrimination, there have been no cases settled with or without recourse to an employment tribunal and no employment cases that LLDC have lost involving allegations of discrimination at an employment tribunal. In addition, as there have been no employment cases involving claims of discrimination, there have been no cases relating to disability discrimination and therefore no cases of this nature settled with or without recourse to an employment tribunal and no such cases lost by LLDC.
