INTERNAL REVIEW - REFERENCE 25-017IR

In your email of 2 June 2025, you requested an internal review under the Freedom of Information Act 2000 (FOIA) with regard to the response you received from London Legacy Development Corporation (LLDC) in relation to your information request reference as above.

The internal review is now complete, and the findings and recommendations of the internal review are as follows:

1. Background

1.1. The original request (reference 25-017) was received on 17 March 2025 and requested that LLDC provide the following information under FOIA:

All correspondence between the LLDC and Reading Agricultural Consultants (RAC) <https://www.reading-ag.com> / relating to both Pudding Mill Allotments and the land known as Bridgewater Triangle from the last 12 months.

1.2. A response was sent by LLDC to you on 30 May 2025 stating that it does not hold the information you have requested.

1.3. Your subsequent email received on 2 June 2025 requested an internal review as follows:

This is unacceptable. I would like you hold an internal review immediately. This is a joint venture involving public money.

2. Internal review

2.1. The internal review confirms that LLDC does not hold the information you have requested.

2.2. The Bridgewater Triangle development is being delivered by Stratford East London Partners LLP, a joint venture between LLDC and Ballymore. Stratford East London Partners LLP is a separate legal entity. Project management for the development is contracted to Ballymore Development Management Limited, which in turn engages specialist third-party consultants to support the delivery of the project.

If you are not content with the outcome of the internal review, you may appeal directly to the Information Commissioner at the address given below. You should do this within two months of our final decision. There is no charge for making an appeal.
