INFORMATION REQUEST REFERENCE 25-020

Thank you for your information request, received on 28 March 2025. There were several exchanges of emails and clarifications needed to respond to your request. You asked London Legacy Development Corporation (LLDC) to provide the following information under the Freedom of Information Act 2000 (FOIA) for:

1. *Most recent Conservation Areas shape file in vector format;*
2. *Most recent Article 4 designation areas shape file in vector format;*
3. *And most recent Tree Preservation Order shape files in vector format.*

Currently, the mapped Conservation Areas, Article 4 and Tree Preservation Order maps cannot be assessed in sufficient detail, and having access to them in vector format is crucial for our analysis for planning purposes.

I am happy to receive map/shape files in any recognised vector format which contains the coordinates describing the shape of the conservation areas, article 4 designation areas and TPO, so can be used in GIS software.

As conservation areas, article 4 and TPO are part of land designation, these shape files should be publicly accessible. Therefore, I kindly ask that you provide these shape files in a compatible vector format.

If the shape files are not available, please provide information about any Application Programming Interfaces (APIs) that you may have relating to conservation areas. Such APIs will help us accessing the files directly without the use of email.

Response:

LLDC's role as Local Planning Authority ceased on 01 December 2024. Under the requirements of the London Legacy Development Corporation (Establishment & Planning Functions) (Amendment & Revocation) Order 2024, all planning applications, appeals or enforcement cases not determined by the LLDC by that time are forwarded to the relevant London Borough for decision.

Please therefore contact the relevant London Borough with your Freedom of Information request via the links on this webpage:
