**INFORMATION REQUEST REFERENCE 25-027**

Thank you for your information request, received on 23 June 2025. We apologise for the delayed response.

You asked the London Legacy Development Corporation (LLDC) to provide the following information under the Freedom of Information Act 2000 (FOIA) / Environmental Information Regulations 2004 (EIR):

**Request:**

*I would like to know if the council has an accessibility community consultation panel of any sort. This is a group of local disabled people and/or accessibility experts who are consulted with during the process of a planning application or sometimes changes to relevant policy. They have a variety of names such as built environment accessibility panel, Access panels, Consultative access forum, accessibility consultation panel etc. I would like to know if your council runs its own one of these groups or has direct affiliation with any. I would also like to know if positions within these panels (if they exist in your authority) are paid or not.*

**LLDC's Response:**

While LLDC is a public authority for the purposes of the Freedom of Information Act 2000, it is not a local council. As such, LLDC does not hold the information you have requested.

If you believe the information may be held by a local council or another public authority, you may wish to redirect your request accordingly.
