WELCOME TO OUR WORKSHOP GLOSSARY FOR 15 – 17-YEAR-OLDS

Workshops	What it's about	Skills you'll gain
Bringing ABBA Voyage to life! A lighting, audio and production workshop	<p>Ever wondered what it takes to bring a live show to life? Now's your chance to find out! Whether you're into music, tech, or just love a good show, this is your backstage pass to the magic of ABBA Voyage! Join us for two action-packed days behind the scenes at ABBA Voyage, where you'll work alongside our world-class tech crew to:</p> <ul style="list-style-type: none"> • Set up a live show • Design your own lighting display • Add music to your very own lighting show • Run it like a pro! 	Gain an insight into the entertainment industry through spending time with industry experts – learn the basic foundations of how to set up a lighting rig and production.
Fashion means Business	Experience life at London College of Fashion while immersing yourself in the dynamic world of business. Discover a wide array of exciting fashion careers, delve into fashion media, and collaborate in groups to develop a unique brand identity.	Basic concepts of fashion business elements and learn how to make your ideas standout.
Design, Knit and Style	Experience life at London College of Fashion while immersing yourself in the dynamic world of design and textiles. Discover a wide range of techniques to use a knit machine and design your own product like a pro.	Foundational concepts of knitting, draping and sketching designs.
Drawing Inside Out	An innovative 2-day hands-on artistic workshop for anyone interested in exploring their creativity through a combination of drawing, collage, digital illustration and embroidery.	Digital sketching and drawing – play with textures and tools – show off your imaginal visually.
Leave Your Mark: An exploration of East London, V&A East Storehouse and public sculpture.	Make artworks of your own in our creative studios located inside V&A East Storehouse. From experimental marks made on paper, to designing and constructing our own large public sculpture ideas – we'll investigate the local area, trace its history and legacy and creatively respond to our findings.	Experiment with a range of creative materials and techniques, such as, drawing, cyanotype, lino print, mono-print, paper making, sculpture, photography and video

WELCOME TO OUR WORKSHOP GLOSSARY FOR 15 – 17-YEAR-OLDS

Workshops	What it’s about	Skills you’ll gain
MORE THAN A TWO STEP	Get into some hip hop choreography and learn some wavey dance routines, whether you’re a beginner or into dance already. Our dance mentor will get you ready to dance as a group and if you’re down, you can even perform!	Learning the foundations of hip hop dance. Learning choreography and routine. Performance opportunity.
Telling Other People’s Stories	A two-day creative writing workshop to explore the world from new perspectives and develop your storytelling skills	Develop confidence in creative writing - Discuss critically the practical and ethical challenges of writing about the lives of others.
Sports Exercise Medicine (SEM): What is it and what can I do with it?	Introduction to concepts involved in SEM, including functional anatomy, injury assessments, physical fitness assessments, exercise programming, and exercise implementation.	Observe basic injury assessments like a physiotherapist – learn about basic fitness test.
Beyond the Board Games: Engineering Systemisers into STEM curriculum	This interactive workshop offers students a fun discovery-based learning experience to think and act like a Systems Engineer, enabling System Thinking, critical thinking, problem-finding, creative problem-solving, teamwork and communication.	Discovering what makes the important of Systems Thinking and explore how to turn complex world problems into digital concepts
CREATE. COLLABORATE. MOVE.	Whether you're a future Music Maker or Choreographer, this is a unique opportunity to connect with other passionate young creatives and express yourself. This is your chance to write, produce, and choreograph your own original tracks and dances—all inspired by the powerful theme of motivation.	Learn to write lyrics, Dive into choreography, develop fresh routines, and explore the power of movement.
CYPHER SETTINGS	Want to learn how to write bars for a grime set? Want to be part of a rap cypher? Join us for a 3 day project, to write for a rap cypher and have it professionally filmed as a music video. Rich Mix is a music venue, cinema and charity in East London’s Shoreditch providing young people with free opportunities to develop their creative practise in events producing, film and music.	Learning history of Grime and MC sets. Planning a “inpromptu” cypher.
