WELCOME TO OUR WORKSHOP GLOSSARY FOR 12-14 YEAR OLDS.

Workshops	What you'll experience	Skills you'll gain
Fashioning Stories with LCF Achieves	Discover fashion history through the stories held in our archives and in your own wardrobe	<ul style="list-style-type: none">• Creative thinking• Exploring fashion history
Why does my street flood? Mapping Floods and Designing for Urban Flood Risk	Explore flooding in East London and learn how drainage, green space and urban density affect flood risk. Then design your own flood-resilient neighbourhood and share ideas with the group.	<ul style="list-style-type: none">• Problem-solving• Climate and environmental awareness• Urban design thinking• Team discussion and idea sharing
Unfolding: Beyond the Map, Journeys of the Untold UCL East Architecture	Inspired by artists and architects, you'll use storytelling, design, photography and stop-motion to turn your ideas into a bold, reimagined map of London.	<ul style="list-style-type: none">• Drawing, collage and model-making• Creative storytelling• Mapping and spatial design• Photography and digital experimentation• Turning ideas into installations
Story-Building from Scratch	Through discussion, writing, drawing and role play we will build a world together full of characters and plans and history and secrets that will give us scenes, monologues, poems, visual art and lore.	<ul style="list-style-type: none">• Creative writing• World-building and imagination• Role play and character development• Collaboration and discussion

WELCOME TO OUR WORKSHOP GLOSSARY FOR 12-14 YEAR OLDS.

Workshops	What you'll experience	Skills you'll gain
Story-Building from Scratch	Through discussion, writing, drawing and role play we will build a world together full of characters and plans and history and secrets that will give us scenes, monologues, poems, visual art and lore.	<ul style="list-style-type: none">• World-building and imagination• Role play and character development• Collaboration and discussion Visual and verbal storytelling
Design a New Pavillion	Work with real industry experts to explore a site, sketch your ideas, and bring them to life through drawing and hands-on model making. By the end, you'll have created your own design portfolio with drawings and a 3D model.	<ul style="list-style-type: none">• Design thinking• Sketching and model-making• Problem-solving
Hip Hop Connection	Explore hip-hop styles, build confidence, make new friends, and develop your dance, creativity and performance skills in a fun and inclusive environment. The course ends with a small showcase of what you've created together.	<ul style="list-style-type: none">• Confidence and self-expression• Rhythm, movement and coordination• Performance skills
Together we Move	Create a fun TikTok-style dance routine, learn how to film content for social media, and help get others dancing in your community. Inspired by "Each One Teach One", you'll create, learn and share the routine, with wellbeing support, creative coaching, and a final community flashmob and family celebration at Queen Elizabeth Olympic Park.	<ul style="list-style-type: none">• Content creation and storytelling• Social Media and Digital Skills• Rhythm, movement and coordination

WELCOME TO OUR WORKSHOP GLOSSARY FOR 12-14 YEAR OLDS.

Workshops	What you'll experience	Skills you'll gain
The Business of Fashion	Come and work at London College of Fashion and discover what happens behind the scenes of a fashion brand. Work in a team to come up with a new marketing campaign, try your hand at visual merchandising and discover how fashion means business.	<ul style="list-style-type: none">• Teamwork and collaboration• Marketing and campaign planning• Visual merchandising• Creative business thinking
Fashion Zine	Join us for a three-day summer course to explore fashion media in our LCF studios. You will create written stories and a photography shoot to put together a fashion zine to share with family and friends.	<ul style="list-style-type: none">• Creative writing• Fashion photography• Editorial and layout skills• Visual storytelling• Producing your own publication
The Content Lab: Mobile Documentary & Creators workshop	This hands-on workshop introduces digital content creation through documentary storytelling. Participants will work like a media agency, creating short documentaries about the Olympic Park and its communities while building skills in story development, interviewing, filming and editing for digital platforms.	<ul style="list-style-type: none">• Documentary storytelling• Content creation and digital platforms• Creative thinking• Idea development
Summer Roller Skate Academy with Skate Cabal	The Summer Roller Skate Academy combines inclusive skating with sessions on creativity, leadership, enterprise and community. Led by Skate Cabal, young people will build skating skills, confidence, teamwork and self-expression through fun activities and inspiring workshops on creative careers and leadership.	<ul style="list-style-type: none">• Creativity and self-expression• Roller-skating technique and control• Leadership and community building• Insight into enterprise and creative careers.
